

The background of the report cover features a photograph of a university campus. In the foreground, a North Carolina state flag is partially visible, showing the letters 'N' and 'C' in yellow on a blue field, with a white star in the center. Below the letters, a yellow banner contains the text 'APRIL 12TH 1176'. The flag is flying on a pole. In the background, there are green trees, a brick walkway, and a white pillar. A blue horizontal band is overlaid on the top portion of the image, containing the report's title and logo.

Introduction

A Message from Chancellor Kevin M. Guskiewicz

At the University of North Carolina at Chapel Hill, we are committed to serving the people of our state, the nation and the world. To fulfill our mission, we need an environment that is safe for all our students, faculty, staff and community members. Building that type of environment requires the support and active participation of every person on our campus. We have made important progress in recent years on matters of campus safety and transparency by seeking the input of key stakeholders in our community. We will continue to make advancements in safety and inclusivity to keep Carolina a welcoming place to be in the years to come.

The Annual Security and Fire Safety Report is written to comply with the requirements of the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act. I hope that you will learn from this report about the ongoing safety and security initiatives on campus. Together, we can continue to play an active role in maintaining

a safe and inclusive campus environment for the Carolina community.

A Message from UNC Police Chief Brian James

UNC Police works in partnership with the University community to ensure a safe environment where our students, faculty and staff can thrive. Officers conduct preventive vehicle and foot patrols, respond to reports of crime, address concerns and provide education programs and resources to the community. Information about many of the campus safety policies and practices are described here in the Annual Security and Fire Safety Report. I encourage everyone to read about the various resources available such as the Carolina Ready app as well as our educational and community outreach programs. Our officers and staff are committed to initiating and maintaining close ties with the community as we work to provide a safe environment for all. Please stop by the department at 285 Manning Dr. to ask any questions about security issues that are important to you.

A Message from Clery Compliance Coordinator Jennifer Scott

The UNC-Chapel Hill Annual Security and Fire Safety Report contains detailed information about our campus safety policies and procedures, the many safety-related programs and tools available to our community and statistics about crime in our area. I hope that you will use the information in this report as you go about your time here and make the most of everything Carolina has to offer. I would also like to thank all the campus and community partners who worked diligently with us throughout the year to compile this report and who strive each day to make Carolina a safe and welcoming place for all.

Policies for Preparing the Annual Security Report

This report is prepared by the University's Clery Compliance Coordinator in collaboration with other campus partners, including UNC Police, the Office of University Counsel, the Equal Opportunity and Compliance Office, Carolina Housing as well as others. This report's crime statistics for property owned or controlled by the institution are gathered from campus security authorities and police departments with jurisdiction over Clery act geography. You may obtain a paper copy of the report upon request by contacting UNC Police at 919-962-3951 or visiting the department in person at the Public Safety Building. The report is distributed to all students and employees via formal notice email on or before the annual publication deadline of Oct. 1. All policy statements in this report apply to each campus unless otherwise specified.

Policy Statement on Nondiscrimination

The University is committed to providing an inclusive and welcoming environment and to ensuring that educational and employment decisions are based on individuals' abilities and qualifications. Consistent with these principles and applicable laws, it is therefore the University's policy not to discriminate on the basis of age, color, disability, gender, gender expression, gender identity, genetic information, national origin, race, religion, sex, sexual orientation or veteran status as consistent with the University's Policy on Prohibited Discrimination, Harassment and Related Misconduct Including Sexual and Gender-Based Harassment, Sexual Violence, Interpersonal Violence and Stalking. No person, on the basis of protected status, shall be excluded from participation in, be denied the benefits of, or be subjected to unlawful discrimination, harassment or retaliation under any University program or activity, including with respect to employment terms and conditions. Such a policy ensures that only relevant factors are considered and that equitable and consistent standards of conduct and performance are applied.

Reporting Crime and Other Emergencies

All crimes occurring on the main campus should be promptly and accurately reported to UNC Police. This helps ensure incidents are properly included in the annual Disclosure of Crime Statistics and a Crime Alert can be issued when necessary. In an emergency, dial 911. Police must respond to every 911 call, whether called in on a cellphone or a landline, even if the caller hangs up without saying anything. If 911 is accidentally dialed, the caller should stay on the line and tell the operator the call was in error. This will save the police an unnecessary trip.

Those at the Institute of Marine Sciences campus should contact the Morehead City Police Department by calling 911 in an emergency situation or 252-726-5361 for nonemergencies. Institute of Marine Sciences personnel may also reach out to UNC Police for assistance. UNC Police will help determine which agency is most appropriate to respond to the situation.

Those at the Kenan-Flagler Business School Charlotte campus should contact Charlotte-Mecklenburg Police by calling 911 in an emergency or 704-336-7600 for nonemergencies. You may also reach out to UNC Police for assistance. UNC Police will help determine which agency is most appropriate to respond to the situation.

There are additional ways to contact help or report a crime depending on the location and situation:

Emergency Phones (Call Boxes): There are emergency phones located across campus for the general public to use. All of these emergency phones provide a direct line to the UNC Police 911 call center. There are also approximately 287 direct line call boxes (identifiable at night by the blue lights on top) located across campus and in University parking decks, as well as emergency phones in parking lots and elevators. There is generally at least one call box on each level of the University's parking decks.

Call boxes require only the push of a button to contact UNC Police through a speakerphone. A bright strobe light on the top of the call box is set off when the button is pushed, helping police quickly locate the caller. If the caller is unable to speak or needs to seek safer shelter, there are indicators in place to let police dispatchers know which call box has been activated. UNC Police officers will respond quickly any time a call box is activated, whether someone speaks into the speaker or not. In addition to using the call box to report emergencies, callers should also use them to report simple suspicious activities that may warrant immediate police attention.

For more information or to arrange a call box demonstration, call UNC Police at 919-962-8100. To report any kind of problem relative to the operation or appearance of a campus call box, please call Electric Distribution Systems at 919-962-8394, or UNC Police at 919-962-3951 if the call box is within a parking deck.

Police Officer: Look for an officer on patrol or go to the Public Safety Building at 285 Manning Dr. for assistance. It is open 24 hours a day.

Nonemergency Calls: For routine calls, please call UNC Police at 919-962-8100 or 919-962-6565.

Off-Campus: In an emergency, dial 911 to reach local police. To reach these agencies in nonemergency situations:

- **Chapel Hill Police:** 919-968-2760.
- **Carrboro Police:** 919-918-7397.
- **Orange County Sheriff's Department:** 919-942-6300, for crimes occurring outside the city limits of Chapel Hill or Carrboro.
- **Crime Stoppers Program:** 919-942-7515 to anonymously report information about a crime to the Chapel Hill-Carrboro-UNC Crime Stoppers program.

Silent Witness: Anyone can electronically send anonymous reports about campus crimes to UNC Police through the Silent Witness program. When submitting a report, please provide three pieces of information: the type of crime involved, the general location of the crime (campus building, parking lot, etc.) and a more specific location for the crime. The form also has spaces for date, time and description of the crime as well as the suspect's name, address and appearance.

After filling in as much information as possible, click on "Submit" and the report is emailed to UNC Police's Criminal Investigations Division. The report is identified only by a unique, randomly generated number. The same number is also displayed for printing purposes. If the party making the report wishes to contact UNC Police again about the same crime, they should reference the number of the previous report to enable the Criminal Investigations Division to add new information to the file.

UNC Police follows up on each Silent Witness report as appropriate, based upon the timeliness of the report and substantiation of information provided, to determine if the incident represents an ongoing threat to the campus community. If the investigating officer determines the reported incident occurred and that it has not previously been reported, the officer will complete an incident report. Reports filed in this manner are counted and disclosed in the annual crime statistics for the institution.

Cellphone-Based Security Services

Smart911: When 911 is dialed today, the information received by the 911 call center can be limited based on the type of phone used to make the call. Smart911 is a free, private and secure opt-in service through which the UNC-Chapel Hill community and visitors can create personalized Safety Profiles with important personal information. Smart911 allows citizens to provide additional details 911 call takers may need in order to assist them during an emergency, thereby putting dispatchers a step ahead in terms of response. At a time when a caller may be panicked or unable to communicate, or when it could be unsafe to communicate, Smart911 ensures the important details needed by 911 are immediately available in the event they cannot be verbally provided.

With Smart911, any time an emergency call is made from a phone registered with a personalized Safety Profile, the 911 systems recognize the phone number and automatically displays the caller's profile on the screen of the dispatcher who receives the call.

A Smart911 profile contains photos, physical descriptions, details about the user's place of residence and work, and medical information. Users can personalize their Smart911 profile, sharing any or all of the uploaded information.

Carolina Ready: To help the campus community remain safe, both on and off campus, the University provides the Carolina Ready app that turns cellphones into personal safety devices.

Carolina Ready features include:

- **Mobile BlueLight:** Activating this alert on campus places an emergency call to the UNC Police 911 call center and identifies your location.
- **Friend Walk:** Ask a family member or friend to remotely monitor your location on a map while you walk to your destination and know when you arrive safely.
- **WorkAlone:** This feature will send you a push notification while you are working or studying alone and will call your emergency contact if you fail to acknowledge the notification.
- **Report a Tip:** Share information with UNC Police through a phone call or the app including options to remain anonymous.
- **Take Action Guides:** Access tips and guidance on what to do in various situations so you can be prepared before an emergency occurs.
- **Alert Carolina:** Receive emergency notifications and crime alerts.

Available on the App Store or Google Play, users can download the app on their iPhone or Android device, select "UNC-Chapel Hill" as their affiliation and fill in their user profile information to begin using the app.

Campus Security Authorities (CSAs)

Members of the University community are encouraged to report crimes and incidents directly to UNC Police at the contact information listed below. However, it is understandable some may prefer to report to other individuals or offices within the University. As such, the campus community can also report crimes to Campus Security Authorities. The Clery Act requires the University to designate employees with significant responsibility for student and campus activities outside of normal classroom instruction as CSAs. CSAs include but are not limited to: deans and department heads, athletics coaches and player support personnel, community directors and resident advisors, and many staff within Student Affairs.

Professional counselors acting in the scope of their professional license are not considered CSAs and are not required to report crimes for inclusion into this report. However, they are encouraged to share information about the various support and reporting options on campus and in the community with those they serve. In addition, the following offices have been officially designated as places where University community members should report crimes:

- **UNC Police:** Public Safety Building, 285 Manning Dr.
911 (emergency) | 919-962-8100 (nonemergency) | <https://police.unc.edu/>

- **Equal Opportunity and Compliance Office:** 214 W. Cameron Ave.
919-966-3576 | reportandresponse@unc.edu | <https://eoc.unc.edu/>
- **Office of the Dean of Students:** Student and Academic Services Building North (SASB), 450 Ridge Rd, Suite 1106
919-843-3837 | dos@unc.edu | <https://dos.unc.edu/>
- **Carolina Housing:** Resident Advisors and Community Directors, Student and Academic Services Building SASB) North, 450 Ridge Rd, Suite 1213
919-962-5401 | housing@unc.edu | <https://housing.unc.edu/>

Confidential Resources

The trained professionals designated below can provide counseling, information and support in a confidential setting. These confidential resources will not share information identifying an individual (including whether that individual has received services) without the individual's express permission, unless there is a continuing threat of serious harm to the patient/client or to others, or there is a legal obligation to reveal such information (e.g., suspected abuse or neglect of a minor). These professionals are also available to help an individual make a report to the University.

On Campus:

Campus Health

919-966-3650 | After-hours: 919-966-2281 | <https://campushealth.unc.edu/urgent-needs/sexual-assault-response/>

- Sexual assault exams/evidence collection.
- Screening and treatment of sexually transmitted infections (STIs).
 - Emergency contraceptives.
 - Pregnancy tests.
- Treatment paid for by the Survivor's Assistance Fund.

Gender Violence Services Coordinators

Kayla Zollinger and Holly Lovern, 919-962-1343 or 919-962-7430 | gvsc@unc.edu | <https://gvsc.unc.edu/>

- Support for individuals experiencing interpersonal violence.
- Assistance in understanding reporting options and navigating reporting process.
- Links to University and community resources.
- Walk-in hours and appointments available.

University Ombuds Office

919-843-8204 | <https://ombuds.unc.edu/>

- Impartial, informal and independent resource and referral.
 - Nonjudgmental listening and discussion of options.
 - Available to anyone affected by the incident.

Counseling and Psychological Services (CAPS)

919-966-3658 | caps@unc.edu | <https://caps.unc.edu/>

- Individual and group counseling and referral.

Employee Assistance Program

877-314-5841 | <https://www.guidanceresources.com/>

- 24/7 confidential care for University employees and their families.

UNC Hospitals Emergency Department

919-966-4721 | <https://uncmedicalcenter.org/uncmc/hospitals-locations/profile/unc-hospitals-emergency-department/>

- After-hours medical care.
- Sexual assault exams/evidence collection.
- Screening and treatment of STIs.
- Emergency contraceptives.
- Pregnancy tests.
- Survivor's Assistance Fund financial assistance available to offset medical expenses.

Off Campus:

Compass Center for Women and Families

919-968-4610 | 24/7 Hotline: 919-929-7122 | <https://compassctr.org/>

- Personal and court advocacy.
- Emergency shelter placement.

Orange County Rape Crisis Center

919-968-4647 | 24/7 Hotline 919-967-7273 | <http://ocrcc.org/>

- Personal and court advocacy.
- Accompaniment to emergency room and police.

Mandatory Reporting of Child Abuse

UNC-Chapel Hill strives to create a welcoming and safe environment for all individuals visiting University property or participating in University programs. The Policy on Protection of Minors reinforces this expectation by establishing standards, requirements and procedures that specifically focus on protecting the safety of individuals who are less than 18 years of age from abuse and neglect by a parent, guardian, caregiver or staff of programs sponsored by or affiliated with the University.

Compliance with this policy shall be a responsibility of all University faculty, staff, volunteers, interns and students, as well as outside third parties (including contractors) who are authorized to use University facilities. Both as a matter of University policy and North Carolina state law, any member of the University community who reasonably suspects that a minor has been abused or neglected by a parent, guardian, caregiver or staff member has an absolute obligation to report that suspicion to the appropriate county Department of Social Services (DSS). The Orange County DSS is the appropriate contact for incidents occurring on the University's campus in Chapel Hill regardless of the residence of the minor involved.

- Monday-Friday 8 a.m. to 5 p.m. excluding holidays, call 919-245-2818 or 919-968-2000.
- After-hours and on weekends and holidays, call 911 and ask for the on-call social worker.

In addition to notifying the Orange County DSS, the reporting party also must notify one of the following offices:

- For instances involving alleged sexual misconduct, harassment or assault, the University's Equal Opportunity and Compliance Office (EOC) at 919-966-3576.
- For instances involving any other forms of alleged inappropriate behavior or misconduct, the University's Employee and Management Relations unit of the Office of Human Resources at 919-843-3444.

If a situation is encountered in which a minor is at immediate risk of harm or the victim of a criminal act, please contact UNC Police or the appropriate police department immediately by dialing 911.

UNC Police or the appropriate police department will make a final determination as to whether a matter merits further investigation and University community members must not attempt to make such judgments independently of law enforcement. Reporting to University officials does not relieve the obligation of a University community member to also make a report directly to law enforcement in the event the minor is at immediate risk.

For more information about the protection of minors on campus, how to register a program or report an incident, contact Starr Barbaro Sanders at 919-843-8995.

Emergency Notification Systems and Crime Alerts

Alert Carolina is the emergency notification system for the University and is comprised of four message types: Emergency Notification, Crime Alert, Informational and Adverse Conditions. Alert Carolina uses a variety of tools to communicate with the University depending on the type of message issued. Activation of the system will be authorized by specific senior members of UNC Police, Environment, Health and Safety (EHS) or Emergency Management and Planning depending on the type of emergency or dangerous situation and the type of message required.

A complete list of the tools used to communicate with the community is as follows:

- Outdoor warning sirens
- Text messages
- Campuswide email
- Alertcarolina.unc.edu website
- Banners at the top of all unc.edu websites
- UNC and UNC Police Facebook pages

- @AlertCarolina, @UNCPolice, and @UNC Twitter accounts
- News releases
- Digital signage
- Carolina Ready app

Emergency Notification messages are sent when there is a significant emergency or dangerous situation that involves an immediate threat to health or safety on campus. UNC Police is typically the unit confirming the facts indicating that an emergency notification is necessary and sending these messages because of their role as first responders. Officials from Environment, Health and Safety and Emergency Management and Planning may also authorize these messages as needed. Once the emergency has been confirmed or there is a reasonable belief of an immediate threat to health and safety on campus, the University will immediately notify the entire campus community, including those at the Kenan-Flagler Charlotte Campus and the Institute of Marine Sciences in Morehead City. The University will, without delay and considering the safety of the community, determine the content of the notification and activate the notification system. However, if in the professional judgment of responsible authorities issuing an emergency notification would compromise efforts to assist a victim or to contain, respond to or otherwise mitigate the emergency, the notification may be delayed. In those cases, the University's Chief of Police, or the ranking UNC Police officer in charge during the Chief's absence, will be notified and once the potentially compromising situation has been addressed the emergency notification will be issued immediately.

UNC Police will issue a Crime Alert to notify the campus community of any Clery Act crime occurring on Clery geography that poses a serious or continuing danger to the campus community. The Crime Alert will be issued as soon as the information is available so people can protect themselves and/or their property from similar crimes. If UNC Police believes issuing a Crime Alert would compromise efforts to assist a victim or effectively investigate the crime, the notification may be delayed until the potentially compromising situation has been addressed.

Crime alerts are sent via text message to the cellphone numbers registered by students, faculty and staff in the online campus directory, email to University email accounts, push notifications through the Carolina Ready app, the Alert Carolina website, the University's homepage, and official UNC-Chapel Hill Twitter and Facebook accounts, including those for UNC Police.

Informational Messages

Informational messages are sent to the campus community to make them aware of situations that do not meet the criteria for a Crime Alert but would otherwise be of interest to the University community. They may also be issued as updates to previously issued Crime Alerts or Emergency Notifications. Examples of situations that may result in the distribution of an informational message are when a crime or incident occurs outside of the University's Clery geography or when an incident occurs that is not a Clery qualifying crime but is nevertheless a safety concern.

Signing Up for Alert Carolina:

All students and employees are automatically enrolled to receive email messages from Alert Carolina via their University provided email account. Students, faculty and staff and affiliates at the University may sign up for text messages. To sign up for text messages, visit the Onyen Account website (<https://account.itsapps.unc.edu>), select 'Update Alert-Carolina Number' and add a phone number or update the phone number provided. Students and employees are also reminded to register or update their phone number when updating their Onyen password. All phone numbers provided will be treated as confidential information. Anyone may visit and/or follow the Alert Carolina and UNC websites the Alert Carolina, UNC and UNC Police Twitter accounts and the UNC and UNC Police Facebook accounts for information about alerts. The Carolina Ready app is available for download on both the Apple and Android app stores.

System Activation:

There were no siren activations other than announced system tests in calendar year 2022. For more information on the University's policies and procedures in the event of an emergency, please visit the Alert Carolina website.

Testing Campus Emergency Procedures:

Conducting training and exercises are essential steps in improving the University's ability to activate its emergency notification system and ensure that equipment and procedures are maintained in a constant state of readiness.

UNC Police conducted Active Shooter training in June 2022 for all sworn personnel. Emergency Management and Planning conducted Emergency Coordination Training for senior policy officials in September 2022, which included instruction on emergency management statutes and UNC System Office support, lessons learned from an incident at another UNC system school, and a discussion-based active shooter tabletop exercise. In January 2023, the University conducted a series of simulated Alert Carolina activation drills to ensure that University officials involved in ordering and sending Alert Carolina messages were familiar with their roles. The University conducts after-action reviews of all emergency management exercises. All after-action reviews include, but are not limited to, a description of the exercise, the date, time, whether it was announced or unannounced, and voluntary feedback from participating members. In addition, the University tests its emergency sirens three times a year and additionally as appropriate (e.g., to test significant upgrades as the system is periodically improved). In 2022, siren tests were conducted on Feb. 16, June 28, and Sept. 21. The University community was informed via email prior to each test. The University also coordinates closely with the UNC System Office to fully participate in emergency preparedness activities and work being coordinated across the UNC System.

Emergency Planning and Evacuation Procedures:

Emergency Management and Planning is responsible for maintaining the University's emergency plans, including Building Emergency Action Plans and the University's Emergency Operations Plan. More information on campus preparedness can be found on the Carolina Ready website (<https://carolinaready.unc.edu>).

Environment, Health and Safety is responsible for maintaining evacuation plans and procedures. More information on evacuation procedures can be found on the EHS website (<https://ehs.unc.edu>).

Crime Statistics

The following tables show crime, arrest and disciplinary referral statistics for crimes reported in the calendar years 2020-2022. These statistics were compiled from information reported to UNC Police, Carolina Housing, the Office of the Dean of Students, the Equal Opportunity and Compliance Office, the Office of Student Conduct, other University units and law enforcement agencies in the jurisdictions in which the University owns or controls property used for programs involving its own students, including the towns of Chapel Hill and Carrboro.

Clery Act Geography

Crimes are reported by the geographical categories (<https://police.unc.edu/clery/map/>) as defined and explained below.

On Campus: (I) any building or property owned or controlled by an institution of higher education within the same reasonably contiguous geographic area of the institution and used by the institution in direct support of, or in a manner related to, the institution's educational purposes, including residence halls; and (II) property within the same reasonably contiguous geographic area of the institution that is owned by the institution but controlled by another person, is used by students and supports institution purposes.

In the tables below, "on campus" includes (1) all property on the central campus including UNC Hospitals (2) all University-owned or controlled property reasonably contiguous to central campus used in direct support of, or related to, its educational purposes. Crime statistics for residence halls, including Granville Towers, are included in the "on campus" statistics as well as in a separate column of crime statistics solely for University residence halls.

Non-campus building or property: (I) any building or property owned or controlled by a student organization recognized by the institution; and (II) any building or property owned or controlled by an institution of higher education that is used in direct support of, or in relation to, the institution's educational purposes, is used by students and is not within the same reasonably contiguous geographic area of the institution. This category also includes fraternities and sororities.

Public property: all public property that is within the same reasonably contiguous geographic area of the institution, such as a sidewalk, a street, other thoroughfare, or parking facility and is adjacent to a facility owned or controlled by the institution if the facility is used by the institution in direct support of, or in a manner related to the institution's educational purposes.

Clery Act Qualifying Crime Definitions and Table

These definitions are taken from the FBI Uniform Crime Reporting handbook and are required to be used for the classification of Clery Crimes and Incidents.

Aggravated Assault: An unlawful attack by one person upon another for the purpose of inflicting severe or aggravated bodily injury. This type of assault usually is accompanied by the use of a weapon or by means likely to produce death or great bodily harm (includes attempted Criminal Homicide and whether or not an injury occurred).

Arson: Any willful or malicious burning or attempt to burn, with or without the intent to defraud, a dwelling house, public building, motor vehicle or aircraft, personal property of another, etc.

Burglary: The unlawful entry of a structure (four walls, a roof and a door) to commit a felony or theft. (includes forced and non-forced entry)

Dating Violence: Violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim. The existence of such a relationship shall be determined based on the reporting party's statement and with consideration of:

- The length of the relationship.
- The type of relationship.
- The frequency of interaction between the persons involved in the relationship.

Domestic Violence: A felony or misdemeanor crime of violence committed by:

- A current or former spouse or intimate partner of the victim.
- By a person with whom the victim shares a child in common.
- By a person who is cohabitating with, or has cohabitated with, the victim as a spouse or intimate partner.
- By a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction in which the crime of violence occurred.
- By any other person against an adult or youth victim who is protected from that person's acts under the domestic or family violence laws of the jurisdiction in which the crime of violence occurred.

Motor Vehicle Theft: The theft or attempted theft of a motor vehicle (does not include air or watercraft).

Murder: The willful (non-negligent) killing of a human being by another.

Negligent Manslaughter: The killing of another person through gross negligence.

Robbery: The taking or attempting to take anything of value from the care, custody, or control of a person or persons by force or threat of force or violence and/or by putting the victim in fear.

Sex Offenses: Any sexual act directed against another person, without the consent of the victim, including instances where the victim is incapable of giving consent.

- Rape: Penetration, no matter how slight, of the vagina or anus with any body part or object, or oral penetration by a sex organ of another person, without the consent of the victim.
- Fondling: The touching of the private body parts of another person for the purpose of sexual gratification, without the consent of the victim, including instances where the victim is incapable of giving consent because of his/her age or because of his/her temporary or permanent mental incapacity.
- Incest: Sexual intercourse between persons who are related to each other within the degrees wherein marriage is prohibited by law.
- Statutory Rape: Sexual intercourse with a person who is under the statutory age of consent.

Stalking: Engaging in a course of conduct directed at a specific person that would cause a reasonable person to fear for the person's safety or the safety of others or suffer substantial emotional distress.

- "Course of conduct" means two or more acts, including, but not limited to, acts in which the stalker directly, indirectly, or through third parties, by any action, method, device, or means, follows, monitors, observes, surveils, threatens, or communicates to or about a person, or interferes with a person's property.
- "Reasonable person" means a reasonable person under similar circumstances and with similar identities to the victim.
- "Substantial emotional distress" means significant mental suffering or anguish that may, but does not necessarily, require medical or other professional treatment or counseling.

Hate Crime: A criminal act involving one or more of the aforementioned crimes, as well as the crimes of:

- **Larceny/Theft:** The unlawful taking, carrying, leading, or riding away of property from the possession or constructive possession of another.
- **Simple Assault:** An unlawful physical attack by one person upon another where neither the offender displays a weapon, nor the victim suffers obvious severe or aggravated bodily injury involving apparent broken bones, loss of teeth, possible internal injury, severe laceration, or loss of consciousness.
- **Destruction of Property/Vandalism:** To willfully or maliciously destroy, damage, deface, or otherwise injure real or personal property without the consent of the owner or the person having custody or control of it.
- **Intimidation:** To unlawfully place another person in reasonable fear of bodily harm through the use of threatening words and/or other conduct, but without displaying a weapon or subjecting the victim to actual physical attack which is shown or suspected to have been motivated by bias against any person or group of persons, or the property of any person or group of persons based upon the perception that the person or group has one or more of the following characteristics:
 - **Ethnicity/National Origin:** A performed negative opinion or attitude toward a group of persons of the same race or national origin who share common or similar traits, languages, customs and traditions (e.g. Arabs, Hispanics).
 - **Race:** A performed negative opinion or attitude toward a group of persons who possess common physical characteristics (e.g. color of skin, eyes and/or hair, facial features, etc.) genetically transmitted by descent and heredity, which distinguish them as a distinct division of humankind (e.g. Asians, Blacks, whites).
 - **Religion:** A performed negative opinion or attitude toward a group of persons who share the same religious beliefs regarding the origin and purpose of the universe and the existence or nonexistence of a supreme being (e.g. Catholics, Jews, Protestants, atheists).
 - **Disability:** A performed negative opinion or attitude toward a group of persons based on their physical or mental impairments/challenges, whether such disability is temporary or permanent, congenital, or acquired by heredity, accident, injury, advanced age, or illness.
 - **Gender:** A performed negative opinion or attitude toward a group of persons because those persons are male or female.
 - **Sexual Orientation:** A performed negative opinion or attitude toward a group of persons based on their sexual attraction toward, and responsiveness to, members of their own sex or members of the opposite sex (e.g. gays, lesbians, heterosexuals).
 - **Gender Identity:** A performed negative opinion or attitude toward a group of persons based on their actual or perceived gender identity (e.g., bias against transgender or gender non-conforming individuals).

Drug/Narcotic Violations: The unlawful possession, distribution, sale, purchase, use, transportation, importation, cultivation and/or manufacturing of any controlled drug or narcotic substance and the equipment or devices utilized in their preparation and/or use. *Drawn from State Statutes and County/Local Ordinances.*

Liquor Law Violations: The unlawful possession, sale, transportation, manufacturing, furnishing alcohol to a minor (under 21 years), or maintaining an unlawful drinking place. The Clery Act does not require reporting "public drunkenness" or DUI/DWI offenses. *Drawn from State Statutes and County/Local Ordinances.*

Illegal Weapon Violations: The unlawful possession or control of any firearm, deadly weapon, illegal knife or explosive device while on the property of UNC-Chapel Hill except as required in the lawful course of business (i.e. sworn law enforcement personnel). *Drawn from State Statutes and County/Local Ordinances.*

Physical Security and Access to Campus

Main Campus

Maintaining building security is a major priority for the University to protect individuals living on campus and those who come to campus to use University facilities. University instructional and administrative facilities are generally open to the public during normal business hours all year, but they are locked at other times. Individuals who need access to locked facilities should call UNC Police. Requests for access without prior arrangement require proof of

identity and authorization from the person or department that controls the facility or area.

Kenan-Flagler Business School Charlotte Campus

The Kenan-Flagler MBA is consistently ranked among the best in the world. The new Charlotte campus provides an opportunity for working professionals in or near the Charlotte area to earn an Executive MBA while continuing to work full time. The Kenan-Flagler Charlotte campus is housed in the Bank of America Tower downtown. Executive MBA students are issued a Bank of America Tower access badge, which provides 24/7 entry to the building perimeter. Unless otherwise communicated, Bank of America Tower exterior doors are unlocked during regular building hours, 9 a.m. to 5 p.m. On-site security coverage is provided Monday through Sunday.

The Charlotte-Mecklenburg Police Department responds to calls for service and investigates crimes, in collaboration with UNC Police as needed. Unless otherwise specified, all policies outlined in this report apply to the Kenan-Flagler Charlotte campus. Further, all University main campus resources are also available to students studying at the Charlotte campus.

Morehead City Campus

The Institute of Marine Sciences (IMS) is a research laboratory, teaching, outreach and service unit of the University of North Carolina at Chapel Hill. Located on the central North Carolina coast in Morehead City, the mission of the Institute of Marine Sciences is to conduct cutting-edge research, train young scientists, provide expertise to governmental agencies and industry, and to promote new knowledge to inform public policy. The Institute remains open during the hours of 8 a.m. to 5 p.m. Monday through Friday.

Students participating in IMS programs reside at the Center for Marine Sciences and Technology, operated by North Carolina State University. The IMS also has a small dormitory available to graduate students and faculty who require short term lodging. The building is locked at all times and accessible only via assigned keys.

Note that the immediate local law enforcement agencies responding to the Marine Sciences campus are the Morehead City Police Department and the Carteret County Sheriff's Office.

- In any emergency (medical or criminal), dial 911.
- The nonemergency telephone number for the law enforcement response is 252-726-1911, Carteret County Emergency Communications.

The Morehead City Police Department responds to calls for service and investigates crimes, with collaboration from UNC Police as needed. Unless otherwise specified, all policies outlined in this report apply to the IMS Morehead City campus. Further, all University main campus resources are also available to students studying at the IMS.

After Hours Access of Campus Buildings

The majority of housekeepers work on third shift when buildings are closed. They check out the keys to the buildings they are responsible for, enter the buildings and relock the doors. They do not open the doors for anyone during these hours. The zone manager and crew leader perform inspections of each building nightly. The assistant directors of Housekeeping Services perform unannounced inspections of random buildings to ensure compliance. Housekeeping utilizes a Team Cleaning process in cleaning the facilities on campus. This process requires the staff to work in teams of two or more, which ensures that staff are not alone in any facility while cleaning. Housekeepers carry cellphones and/or radios for easy access to their zone manager, assistant director and UNC Police officers in case of an emergency. Security guards employed through UNC Police patrol on foot, check buildings and respond to housekeepers' calls for assistance.

Access to Residence Halls

All residence halls have electronic key systems where residents can open the outside door by using a proximity key to activate the reader. Exterior doors to residence halls are locked at all times. Exceptions are made when students move in each semester. Signs posted at the entrance to each residence hall provide notice of restrictions on entry.

Each resident has a metal and/or proximity key to their residence hall room or apartment. If a student changes rooms, the student's profile is updated in the housing management computer system and all keys to the former room are collected and keys to the new room are issued. If a student moves off campus, the student's profile is updated in the housing management system and all keys are collected without the issuance of new keys. All such changes are made online and are effective immediately. Residents are advised to keep doors locked at all times and to immediately report lost/stolen keys to the Community Office. The Facilities Services Housing Support department deactivates lost/stolen keys as described above.

Residents may have invited guests to visit; however, some halls have restrictions related to when guests may visit, commonly referred to as visitation. Limited visitation allows guests to visit from 9 a.m. to 1 a.m. Sunday-Thursday and 9 a.m. to 2 a.m. Friday and Saturday. Standard visitation allows guests to visit anytime with the permission of the roommate.

Both visitation options require roommate consent. Students are asked to complete roommate agreements early in the academic year to establish guidelines for guests. In addition, students living in the residence hall or apartment are responsible for maintaining the visitation standards as members of a common community. The resident adviser is available to mediate when roommate or community agreements are not upheld. Each residence hall has a telephone located at the entrance. Invited guests gain access to the residence hall by calling their host and asking to be escorted while visiting. Students are held responsible for the behavior of their guests.

Only authorized personnel are provided access to keys that open multiple residence hall doors. These include UNC Police, maintenance personnel and residence hall staff. Live-in professional staff members control residence hall room key access. The Facilities Services Housing Support department controls master key access through the use of secured key boxes in the buildings. At a minimum, access to these keys requires users to have an assigned pass-code. Based on this code, only keys required in the function of staff duties are available to the user. The key boxes are networked, so the lock shop has data on what keys are checked out, when and for how long. There is also an alert system that notifies the lock shop if keys have been checked out longer than the permitted time.

Maintenance of Campus Buildings

Any facility-related security concern or other emergency is given highest priority for response by Housing Support personnel. Typical security calls are for malfunctioning locks and broken windows. If the request for attention is made during normal working hours, an attempt is made to respond during that day. If the request is made after normal working hours, the UNC Police Telecommunications Center alerts the appropriate personnel on call. Emergency and security maintenance requests are handled as soon as the person on call can arrive on campus.

Campus Lighting

Adequate lighting on campus is an important component of safety and security at night. Campus lighting corridors provide higher level lighting for walkways and parking lots that are used frequently after dark. While it is cost prohibitive at this time to provide such lighting across the entire campus, additional illumination along these corridors is both necessary and beneficial to campus safety and security. The concentration of after-dark pedestrians in the lighting corridors also reduces each pedestrian's sense of being alone and more vulnerable.

Lighting corridors now exist from East Franklin Street at the north end of campus to Ram Village residence halls on the south end of campus. Older lights on north campus have been replaced with higher intensity improved-color lights that serve to nearly double the amount of light in those areas and improve color recognition for easier identification. East-west corridors follow Cameron Avenue and South Road. To review lighting needs, the Electric Distribution Systems working group within Energy Services conducts lighting tours of the campus twice a year. Normally, tours are held in April and October. These walking tours allow students and employees to point out where lighting needs improvement, to see where the landscape has changed (because of construction or tree and shrubbery growth, for example) and to see the impact of those changes already made to improve lighting.

Representatives from the student body, the Graduate and Professional Student Government, UNC Police, Carolina Housing, Facilities Planning and Design, Building Services, Grounds Services and members of the University Safety and Security Committee usually participate in the tours. The tour leader historically is the manager of Electric Distribution Systems and/or a member of their staff.

The tours are open to any interested person. Advance notices of tour dates are sent to the above-mentioned representatives, to the student newspaper The Daily Tar Heel, and The Well, the faculty and staff online news source.

Anyone with a concern about lighting or interested in participating in a walking tour is encouraged to call Electric Distribution Systems at 919-962-8394 at any time.

Campus Transportation Options

Point-to-Point (P2P): The P2P Express operates between University residence halls, libraries, research areas and Franklin Street, serving designated bus stops around campus on a fixed route 7 p.m. to 3 a.m. seven days a week

during the fall and spring semesters. P2P Shuttle serves Baity Hill 7 p.m. to 3 a.m. Monday through Saturday and on-demand on Sundays during the fall and spring semesters. P2P operates on-demand services during summer sessions. P2P Express is available to all faculty, staff and students. Service is only provided when residence halls are open.

P2P also provides on-demand transportation services to authorized students and employees with accessibility needs 24 hours a day, Monday through Friday and 9 a.m. to 5 p.m. on weekends. The service is free for students and employees with University identification cards registered with Accessibility Resource Services or the Equal Opportunity and Compliance Office.

P2P after-dark service provides rides to students and employees who are not served by the P2P Express Route or the Baity Hill Shuttle. Pick-up and drop-off points are limited to on-campus locations or specific off-campus locations owned or operated by the University, including on-campus parking lots. After-dark van service is from Monday – Sunday 7 p.m. to 6 a.m.

P2P also provides rides for students to Campus Health, the main quad libraries, the Law Library and the RR lot from any campus location. More information about P2P services can be found on the Transportation and Parking website.

Download the TransLoc app or visit the Transloc website for fixed-route tracking information and request on-demand services. On demand service requests also available at 919-962-PTOP (7867).

Commuter Alternative Program (CAP): CAP is a nationally recognized program designed to reward commuting students and employees who do not drive alone to campus, offering alternative commute options including fare-free local and regional transit service.

CAP members who have an emergency and need transportation to park-and-ride lots or other locations in Chapel Hill or Carrboro may use P2P Emergency Ride Back services. Employees living outside the Chapel Hill/Carrboro area may also join the regional Emergency Ride Home program. Other CAP benefits include a no-cost regional bus pass or vanpool subsidy for eligible commuters, a discount card, prize drawings, weeknight parking and free one-day parking.

Zipcar: Zipcar is a convenient car sharing service which allows employees and students to access a vehicle on campus. Students (must be 18), employees and University departments have access to Zipcars on campus for use by the hour or by the day. Fuel and insurance included.

ShareTheRideNC: Students and employees may also sign up for this free ride-matching service. ShareTheRideNC is typically used by commuters looking for rides to UNC-Chapel Hill. One-time trip matching is also available. Registrants may choose to only match to other University commuters or to any person with a similar commute.

For more transit and parking information, visit the Transportation and Parking website (<https://move.unc.edu/>).

Missing Person Protocol

The University believes the personal and physical safety of the University community is a shared responsibility. In accordance with federal, state and local law, the following protocol has been established to outline the University response procedures in the event University officials receive a report that a person residing in on-campus housing is missing.

The Missing Person Protocol will be:

- Shared with residents via email from Carolina Housing at the start of each academic year.
- Available for students to view on the Carolina Housing website, as well as the Office of the Dean of Students website.
- Shared with all students who reserve a room at the Institute of Marine Sciences dormitory.

All residential students will be afforded the option to register confidential contact information. All residents have the ability to register contact information via the Carolina Housing or IMS dormitory application. As a part of the application, students are:

- Advised that such confidential contact information will be accessible only to authorized campus personnel and will not be disclosed to outside individuals or entities except for disclosure to outside law enforcement personnel in furtherance of a missing person investigation.
- Advised that if they are a residential student under 18 years of age and not an emancipated individual, the University will notify the custodial parent or guardian within 24 hours after the student is determined to be missing, in addition to notifying the student's registered confidential contact, if different.
- Instructed to contact the following individuals and/or campus departments to report that a student has been missing for 24 hours:
 - Resident Advisor - Carolina Housing.
 - Community Director - Carolina Housing.
 - UNC Police or Morehead City Police as appropriate.
 - Office of the Dean of Students.
- Alerted that the report of a missing person will be referred immediately to UNC Police. All other applicable University offices, including but not limited to the Office of the Dean of Students, Carolina Housing and Counseling and Psychological Services, will be notified within less than 24 hours and as applicable when a student is reported missing.
- Notified that once the University, through appropriate investigative protocols listed below, determines that a student is missing, the University's designee will, within 24 hours, contact the individual identified by the student, the custodial parent or legal guardian if the student is under 18 and not emancipated and local law enforcement, as well as other appropriate community agencies when applicable.

Protocol Procedures

Upon notification from any entity that a student may be missing, even if before the 24-hour notification time-frame, the University may use any of the following resources to assist in locating the student. These resources will be used in any order and in any combination as deemed appropriate by University officials:

- Initiate a "wellness" check on a student. In accordance with approved guidelines, the appropriate staff will be dispatched to the residential room to establish contact with the individual or verify the individual is not currently available in their assigned space.
- Reach out to known friends, other students living in the same location and family members in an effort to glean additional information on the student's potential location and other applicable information.
- Assign a liaison to ensure that family members are provided with information and support.
- Access class information and contact academic departments and faculty members to ascertain information on last physical sighting of the student as well as any other relevant information.
 - Search on-campus public locations, including but not limited to dining facilities, libraries, recreation areas, etc.
 - Access the residence hall/apartment electronic key database to determine time and use of most recent entry points of the student using their key fob.
 - UNC Police will follow General Order 4-6R1 which outlines the investigative protocol procedures they would follow in a case of a missing person.
 - The University may request the following technology-based information:
 - Access email logs to verify last log in and use of University email system.
 - Ensure use of student accounts/passwords is monitored.
 - Obtain and examine Internet service provider and email records.
 - Monitor social media sites for activity.
 - If there is any indication of criminal activity, the University will involve the appropriate law enforcement agencies.
 - In conjunction with the University's Executive Committee, prepare, update and disseminate informational bulletins to outside agencies, the University community and the public, if necessary and appropriate.

Information about Campus Law Enforcement and Security

UNC Police is a legally appointed entity with full law enforcement agency status whose sworn personnel have all the powers of law enforcement officers, including the authority to execute arrests. The department's jurisdiction includes "all property owned or leased to the institution employing the campus police officer and that portion of any public road or highway passing through such property or immediately adjoining it, wherever located," in accordance with North Carolina General Statute §116-40.5. In addition, the Granville Towers residential housing facilities also fall within the primary jurisdiction of UNC Police. In addition, UNC-Chapel Hill also employs non-sworn secu-

rity personnel who do not have powers of arrest but provide a visible presence and monitor security cameras in many campus buildings. Additional non-sworn security personnel are employed as needed for large events such as football and basketball games.

Through an expanded jurisdiction agreement with the Chapel Hill Police Department, UNC Police officers who are en route to off-campus locations are authorized to respond to any suspicious, criminal or emergency situations occurring on sections of Franklin and Rosemary streets to the north and west of campus, including off-campus housing, and they have full authority in those areas.

UNC Police has mutual aid agreements pertaining to providing assistance and the investigation of criminal incidents with the sheriff's departments for Chatham County, Durham County, Orange County and New Hanover County; the police departments for Carrboro, Chapel Hill, Durham, Pittsboro, Hillsborough and Charlotte-Mecklenburg County; all UNC System institutions campus police departments; the North Carolina State Highway Patrol; and UNC Hospital Police.

UNC Police contacts local law enforcement agencies to inquire if any incidents involving University students or employees have occurred during the designated shift period. These incident reports, or a substantive summary, are shared with the shift supervisor who also shares information with the Office of the Dean of Students when appropriate. UNC Police officers are also assigned with local law enforcement for joint patrols for special events occurring on or near campus and other related activities. When incidents are observed by UNC Police personnel during these events, incident reports are generated describing the incident in detail. These reports are also shared with other campus units when appropriate.

Officers from the UNC Hospital Police, the Chapel Hill and Carrboro police departments and the Orange County Sheriff's Office often provide assistance when there is a major special event at the University. On request, UNC Police cooperates with law enforcement agencies who are investigating criminal activity on the premises of recognized, off-campus student organizations; however, UNC Police does not request that local law enforcement agencies monitor or record criminal activity at these locations. UNC Police also has a close working relationship with the North Carolina State Bureau of Investigation and North Carolina Alcohol Law Enforcement and also conducts joint operations and training exercises with the Chapel Hill Police Department.

A mobile command center is available for use in large-scale and/or protracted emergency services responses or for use in joint operations as an incident command center.

In the interest of agency interoperability, the UNC Police uses the statewide VIPER 800 MHz communication system that allows for a more cohesive communications strategy with other Orange County emergency and law enforcement agencies, as well as with law enforcement agencies across the state. Compliance with APCO Project 25 standards enhance interoperability with other agencies and enable UNC Police to stay current with changing technologies and the needs of the University community.

Security Awareness and Crime Prevention Programs

UNC Police

UNC Police has one primary concern: to protect and serve all who come to campus. The services provided by UNC Police center on enhanced customer service, reduction of crime and improvement of the quality of life for students, faculty, staff and visitors at UNC-Chapel Hill. Campus community members are encouraged to call UNC Police if they have a safety concern or note suspicious activity. Information is an important component in the continuing effort to increase campus safety. A well-informed campus can better protect itself. One of the goals of UNC Police is to stop crime before it takes place. To achieve this goal, a great deal of attention is given to Community Oriented Policing (COP) and crime prevention programming. COP is a collaborative effort between members of the department and those in the University community to develop solutions to problems and increase trust in the police.

The following highlights some of UNC Police's programs offered in order to educate the Carolina community regarding awareness and prevention and are available upon request:

Community Police Academy: This program is intended to open the lines of communication between the University community and UNC Police. This is a program offered multiple times a year and is designed to familiarize citizens with the "how/what/why" of police procedures and provide an opportunity to interact with officers. The goal is to produce informed citizens who can take the information they have learned back into their respective areas, share

the information with friends and colleagues and develop a greater understanding of police operations.

New Student Orientation - Carolina Ready: In partnership with the Office of the Dean of Students and Emergency Management and Planning, this presentation is provided to all incoming students and their parents in order to provide a basic understanding of safety at the University. The goal of this presentation is to empower new students to take charge of their personal safety and security.

Graduate/Teaching Assistant Orientation Presentations: An enhanced safety presentation that provides an opportunity for officers and other administrators to talk about the role of graduate students and teaching assistants in emergency response and classroom safety protocols.

Project Uplift Orientation Presentations: This basic campus safety presentation provides information to a relatively younger community of campus partners who may not be familiar with the environment and various safety measures available in the Carolina community.

Coffee with a Cop: This internationally recognized program allows officers and community members to interact with one another in a relaxed, no pressure environment. Community members are encouraged to talk to officers about anything and everything on their mind, regardless of whether it has any direct connection to law enforcement.

Alcohol Awareness: In partnership with Carolina Housing, this program brings information to students regarding the environment of alcohol consumption on a college campus. This program provides information on understanding the physiological effects of over-consumption and impaired driving, and also provides students with the opportunity to explore social norms driving alcohol consumption in a college environment.

Campus Fire Safety: UNC Police works closely with Environment, Health and Safety to promote fire safety strategies on campus, with particular attention to fire safety in the residence halls, including microwave and stovetop cooking safety demonstrations.

Tar Heel Tracker: The Tar Heel Tracker program is utilized at all home Carolina football games. Parents are offered a wristband with their child's seating information, so officers may assist them with reunification should the child become lost.

Larceny Reduction and Engraving: Officers equipped with engraving tools will speak to students about the importance of larceny reduction strategies while engraving Owner Applied Numbers (OANs) on personal items (computers, phones, tablets, etc.)

Carolina Ready Emergency Response Training: In partnership with Emergency Management and Planning and Environment, Health and Safety, this training allows participants to learn about responses to a variety of events, including active assailants, fires and other critical incidents. Each training is tailored to the individual building or department requesting the training.

Active Shooter and Critical Incident Response: Building upon the national Run, Hide, Fight model, this training supports participants' ability to observe the importance of "active" responses related to an active shooter or other critical incident. Participants can also choose to participate in scenario-based training designed to provide an individual hands-on experience regarding emergency response in a safe and secure training environment.

Emergency Response: Typically a follow-up to the Active Shooter and Critical Incident Response presentation, this allows department personnel to work with UNC Police Crime Prevention Officers to develop an Emergency Action Plan to be used in the event of a critical incident on campus.

Moped Safety Presentations: A presentation focusing on the laws and regulations of moped use, an understanding of the traffic laws pertaining to mopeds and general traffic safety tips.

Community Safety Partnership: Presented in conjunction with the Chapel Hill Police Department, this program provides the University community with information regarding how to report suspicious conditions in the campus community and around Chapel Hill.

[Reportit.leadsonline.com](https://reportit.leadsonline.com): Reportit lets one securely store serial numbers, items descriptions, pictures and scans of receipts so one's items may be more easily identified in the event of theft or loss. It maintains a secure, online

record of valuable property, accessible from anywhere.

Rape Aggression Defense (RAD): Rape Aggression Defense for students, faculty and staff. Much of the 12-hour program is spent practicing the application of self-defense tactics, including realistic simulation training. Women of average fitness will be able to participate successfully. Participants who complete the course may present their signed manuals at any RAD training facility in the United States or Canada in order to be allowed to practice or participate in refresher training at no charge. The Student Activities Funds Office provides funding for course manuals and participants may keep them after the end of the course. Protective equipment is provided free of charge, including a free mouthpiece. Transgender and nonbinary individuals are welcome to choose whichever program best fits their needs.

RAD for Women training is offered several times a year. Afternoon, evening or weekend classes may be offered as three four-hour blocks or four three-hour blocks. Maximum class size is 25. For information about class schedules, call the Crime Prevention Office at 919-966-3230.

Resisting Aggression with Defense (RAD for Men): Resisting Aggression with Defense for students, faculty and staff. Much of the 12-hour program is spent practicing the application of self-defense tactics, including realistic simulation training. This program gives men opportunity to focus on recognition of aggressive behavior, along with the negative repercussions and the role men play in reducing violence and aggression. Participants will also have the opportunity to practice self-defense in a secure training environment. Transgender and nonbinary individuals are welcome to choose whichever program best fits their needs.

RAD for Men training is hosted by request and level of interest. Maximum class size is 25. For information about class schedules, call the Crime Prevention Office at 919-966-3230.

RAD Express: A short introduction to self-defense education, this presentation provides a basic overview of the full RAD program. More information about RAD classes can be found on the UNC Police website (<https://police.unc.edu/services/rad-self-defense-class/>).

Operation Medicine Drop: Utilizing partnerships with the North Carolina State Bureau of Investigation and Federal Drug Enforcement Administration, this program allows individuals to drop off expired or unnecessary medications for proper disposal on a “no questions asked” basis.

Child Passenger Safety Seat Clinics: In sponsorship with Safe Kids Orange County, these events allow community members to have a car seat checked and/or properly installed in their motor vehicle at no cost.

Bike Rodeos: A program designed to teach local children and adolescents about bicycle safety, proper wearing of a helmet, care and maintenance of a bicycle and tips for riding around the University campus and the surrounding community.

For more information about scheduling a security awareness or crime prevention program or workshop, contact the UNC Police Crime Prevention Office at 919-966-3230 or visit the UNC Police website (<https://police.unc.edu/>). A common theme of all awareness and crime prevention programs is to encourage students and employees to be aware of their responsibility for their own security and the security of others. Classes can be tailored to meet individual needs and new classes are added as the need arises. Additional information available upon request or on the UNC Police website includes:

- **Security Surveys:** These surveys assist departments in understanding vulnerable areas in their work environments and in finding possible solutions for correcting these vulnerabilities. To receive a security survey, please contact the UNC Police Crime Prevention Office at 919-966-3230.
- **Daily crime log:** Contains information about crimes reported over the previous 60 days, including the nature of the incident, location and disposition.
- **Annual reports:** These documents provide information on a yearly basis concerning crimes and crime trends for the University campus. This information is available both on the UNC Police website and in booklet form at the UNC Police building.

Student Wellness

Wellness staff present the “Healthy Heels” session in collaboration with staff from Campus Health and CAPS covering topics related to health, wellness and safety. This content correlates with other presentations from the Office of Student Conduct, the Office of the Dean of Students and the Equal Opportunity and Compliance Office during New Student Orientation, providing consistent prevention and risk reduction information and resources to the

newest undergraduate members of our community. Student Wellness also participates each fall in new orientation for graduate students through partnership with Graduate School staff.

Online Education Modules: Student Wellness utilizes and manages online alcohol, other drug, and violence prevention education modules required for all incoming students prior to arrival on campus that provide an appropriate and accurate understanding of substances and their associated risks, including legal, judicial and health impacts such as interpersonal violence. These same modules are also offered to all returning undergraduate and graduate/professional students as an optional educational resource. Utilization rates remain high across all populations.

In-person Education and Outreach: *Alcohol & Other Substances 101:* Student Wellness employs a full-time Substance Misuse Prevention Coordinator who provides regular education and outreach programming, including a workshop designed to educate student organizations on the risks to self, others and community associated with alcohol or other substance use, as well as effective harm-reduction strategies if students choose to consume any substance.

Decisions: An educational workshop provided to students as a result of specific sanctions. This workshop explores personal values clarification, models of morality, impulse control and critical thought as it relates to decision-making.

Substance Free Alternative Programming: *Carolina After Dark:* Carolina After Dark (CAD) is a wellness and prevention/risk reduction initiative that partners with other campus and community partners and student organizations to provide late-night campus activities and inclusive programming. Carolina After Dark promotes and encourages substance-free events across the Carolina community using a monthly newsletter, the student-centered Heel Life portal and social media.

Overdose and Fentanyl Poisoning Prevention Efforts: *Opioid, Fentanyl and Xylazine Awareness:* Student Wellness staff partner with several student organizations, the local health department and the statewide Harm Reduction Coalition to provide students with risk awareness and harm reduction information related to substances such as benzo or opiate overdose, as well as education on the increasing prevalence of the addition of illicit and highly dangerous substances such as fentanyl and xylazine infused into various other drugs such as pressed pills and cocaine. These efforts also include both provision of free naloxone kits and additional information on where to obtain free resources such as Narcan and safety testing strips.

EARLY INTERVENTION INITIATIVES

Individualized Support and Interventions: *BASICS:* (Brief Alcohol Screening and Intervention for College Students) is aimed at students who have had negative experiences or problems related to alcohol and drug use. The small group and one-on-one appointments are designed to help students make better alcohol-use decisions and to reduce their risks for alcohol related harm. BASICS provides students with personalized feedback about their alcohol/drug use, challenges their perceptions and raises awareness regarding social norms, and offers opportunities for self-improvement and safer choices in the future. BASICS is assessed and studied for effectiveness through an online behavioral tracker and a post-test six weeks after completing their second session.

Clinical Substance Use Assessments and Counseling: Student Wellness maintains 1-2 licensed clinical social workers with LCAS credentials to support students (and their families) who are struggling with substance misuse, dependence or a clinical diagnosis of Substance Use Disorder (SUD). These services include the utilization of Motivational Interviewing (MI) techniques, Risk Mitigation and Harm Reduction strategies, Readiness for Change, and other related modalities to assist students in moving from high risk use to low risk use or abstinence. These services include referrals to higher levels of care (IOP, Inpatient) and case management, medical underloads and withdrawals as appropriate, and clearance screenings (in partnership with CAPS) and transition support upon returning to school, and integration into our recovery programs and resources.

RECOVERY SUPPORT INITIATIVES

Collegiate Recovery Programs: Student Wellness hosts a robust collegiate recovery program influenced by the Texas Tech replication model. These services include a full-time Recovery Programs Coordinator that provides weekly psychoeducation process groups focused on developing increased recovery capital skills and relapse prevention, individual recovery coaching and regular sober social/recreational/entertainment events that support Carolina students in recovery having a normal college experience absent of influences and pressures related to substance use.

ADDITIONAL RELATED PROGRAMMING AND RESOURCES

Student Wellness also co-hosts additional programs supporting wellness and safety such as Cyclicious, where students can learn about bicycle safety, maintenance, registration, theft prevention, helmet fittings, bike routes and more. Trained health educators on staff can also provide general health promoting programs and resources designed to empower students with education and skills building that support positive decision making. These efforts include important topics such as sleep hygiene, nutrition, activity as medicine, stress management, mindfulness and related self-care practices that reduce the likelihood of students misusing substances to cope. Health educators also tailor and facilitate programs on a variety of other related health, wellness and safety topics for specific organizations/populations on campus as needed, including an initiative titled 'Don't Cancel That Class' where professors can invite Wellness staff in to provide a health and wellness related topic presentation during a class session when the professor may need to be away from campus.

Education Programs for Sexual Assault, Dating Violence, Domestic Violence and Stalking

Programs and Procedures for Domestic Violence, Dating Violence, Sexual Assault and Stalking as required by the Clery Act (as amended by the Violence Against Women Reauthorization Act) and for sexual assault and other forms of sexual harassment prohibited by Title IX of the Education Amendments of 1972.

The Clery Act, as amended by the Violence Against Women Reauthorization Act (VAWA), requires colleges and universities to address domestic violence, dating violence, sexual assault and stalking through programs, awareness campaigns, policies and procedures. Title IX is an important civil rights law that protects individuals from discrimination based on sex in federally funded education programs or activities. Sexual harassment of students, which includes acts of sexual violence or sexual assault, is a form of discrimination based on sex that is prohibited by Title IX. Regulations on Title IX require grievance procedures that provide prompt and equitable resolution of sex discrimination complaints and guidance on prevention awareness, resources and responsible employee training programs for individuals with reporting responsibilities.

The University will continue to take a series of specific and continuing steps in compliance with these federal requirements and recommendations to address these types of conduct, including sexual violence, sexual assault (including rape and acquaintance rape), sexual battery, sexual coercion, domestic violence, dating violence and stalking (hereinafter referred to as "sexual violence and related misconduct") as further defined in the Clery Act and Title IX.

Educational Programs for Students, Faculty and Staff

The University offers educational programs for students, faculty and staff to promote the prevention and awareness of sexual violence and related misconduct. Programs the University has implemented include information about many of the specific topics outlined in the federal Office of Civil Rights guidance and the Violence Against Women Act amendments to the Clery Act:

- Statements that the University prohibits sex discrimination, sexual harassment, sexual violence, dating violence and stalking.
- The definition of domestic violence, dating violence, sexual assault and stalking in this jurisdiction.
- The definition of consent in reference to sexual activity.
- Positive, safe approaches to bystander intervention.
- Information on risk reduction to recognize warning signs of abusive behavior.
- Information on how to report incidents of stalking, sexual violence or relationship violence and seek support.
- Information about trauma, including neurobiological change.

The following trainings and programs are among those offered by the University:

"Sexual Assault Prevention for Undergraduates" online module: The University requires all incoming first-year and transfer students to complete an online module developed by Vector Solutions that provides information about policies, definitions, resources, bystander intervention and healthy relationships. The University supplements this online module with in-person prevention and training programs described below.

"Sexual Assault Prevention Ongoing" online module: The University provides the online module "Sexual Assault Prevention Ongoing" for our returning undergraduate and professional students. Building from the "Sexual Assault Prevention for Undergraduates" module, the "Ongoing" module reinforces information about bystander interven-

tion, promotion of positive and healthy behaviors and social norms

"Sexual Assault Prevention for Graduate Students" online module: The University provides the online module tailored specifically for all new graduate and professional students.

"Preventing Harassment and Discrimination" online module: This online course is required of all new faculty and staff and is required every other year thereafter. It provides information on how to recognize and respond to sexual violence and related misconduct, as well as how to access confidential medical care and support resources on campus and in the community. The course also provides detailed information about how to report an incident to the University and law enforcement.

Responsible Employee Training: The University provides mandatory training for those individuals designated as a "Responsible Employee" under the University's Policy on Prohibited Discrimination, Harassment and Related Misconduct and in compliance with Title IX. Those deemed Responsible Employees under the policy are employees with administrative or supervisory responsibilities on campus or who have been designated as Campus Security Authorities. Responsible Employees are required by the University to immediately share all details about a report of prohibited conduct (including the known details of the incident [e.g., date, time, location], the names of the parties involved, a brief description of the incident and if the incident has been previously reported) with the Equal Opportunity and Compliance Office or Title IX Compliance Coordinator in person, by telephone, electronically or by email. The mandatory annual training for Responsible Employees outlines the types of conduct these individuals are expected to report and provides guidance on how to respond to disclosures of experiences of prohibited conduct, how to inform students and peers of these reporting responsibilities and the procedures for reporting. The online version of the training also contains a quiz to evaluate whether the Responsible Employee understands the information provided.

"Sustaining Healthy Relationships" online module: This course explores the unique challenges in relationships involving sexual and gender minorities. These modules are centered on the experiences of lesbian, gay, bisexual, transgender/trans, intersex, queer, questioning, two-spirit and same gender loving communities, though the information applies to people of all sexual orientations and gender identities. Relationships can take many forms, as discussed in section one of this module. The content in this course applies to all relationships whether they are for one night or many years, between partners, family members, coworkers, etc. These modules have been developed as a collaboration between the LGBTQ Center and Student Wellness at the University.

Violence Prevention and Advocacy Services (VPAS)

Violence Prevention and Advocacy Services (VPAS) at UNC-Chapel Hill is committed to preventing all forms of gender-based violence and providing support to those impacted by violence and harassment. The department, established in 2022, provides education and awareness through trainings, outreach and other programs, including:

HAVEN (Helping Advocates for Violence Ending Now): HAVEN is a collaboration between VPAS and the Equal Opportunity and Compliance office. The three-hour training provides students, staff and faculty with tools to be an ally and source of support to those impacted by sexual assault, interpersonal violence and/or stalking. HAVEN emphasizes the importance of listening, responding compassionately and connecting survivors to resources on campus and in the community.

One ACT: One ACT is a bystander intervention training available to any student, staff or faculty member at the University but is intended primarily for undergraduate and graduate students. The training teaches participants how to identify different types of violence, equips them with strategies for intervening in potentially violent situations and guides them through several realistic scenarios to help them develop confidence in their intervention skills. The curriculum has been tailored to meet the needs of undergraduate, graduate and professional, and Greek Life audiences.

Be That Friend: Be That Friend is a student-led positive social norms campaign that encourages and empowers students to provide support for and recommend resources to peers who may have experienced gender-based violence. The year-long campaign involves mass materials distribution, social media messaging, peer-to-peer conversations, interdepartmental events, skill-building workshops and student surveys.

Raise the Bar: Raise the Bar training educates restaurant and bar staff on how to identify and prevent sexual violence in alcohol-serving establishments near the University campus. The training explores how sexual violence might manifest in public spaces, equips participants with strategies for intervening in potentially violent situations, and helps participants confront their own biases about what sexual violence and its perpetrators look like. The curriculum also features a skill-building section, in which participants discuss appropriate intervention and preven-

tion strategies for several realistic scenarios of sexual violence and harassment. Raise the Bar is currently offered in conjunction with the Chapel Hill Police Department Be A Responsible Server (BARS) Training, which focuses on North Carolina alcohol laws and safe alcohol service.

Awareness campaigns: The Equal Opportunity and Compliance Office and campus partners commemorated Sexual Assault Awareness Month this year by posting to Instagram about campus resources and healthy relationship boundaries. In June 2023, the EOC celebrated Pride Month by posting to Instagram about LGBTQ protections in University policies and how the LGBTQ community can report an incident of harassment or discrimination to the University.

Equal Opportunity and Compliance Office

Throughout summer 2023 the Equal Opportunity and Compliance Office participated in New Student Orientation, providing resources and information about harassment and discrimination, including sexual assault, interpersonal violence and stalking. The Equal Opportunity and Compliance Office also provides training to resident advisors, community partners, sports teams and student organizations about these types of prohibited conduct and resource and reporting options.

The Equal Opportunity and Compliance Office also continues to maintain, in close collaboration with other campus partners, the website Safe at UNC, the main portal for undergraduate and graduate students, faculty, staff and visitors at UNC-Chapel Hill for resources and information about discrimination, harassment, sexual violence, interpersonal violence and stalking. It includes information about the University's response and prevention efforts, as well as community resources. The website was created by several UNC-Chapel Hill departments, offices and centers that provide response and prevention services.

The Equal Opportunity and Compliance Office partners with other offices on campus to raise awareness about the University's commitment to a safe and welcoming Carolina – a campus that is free from discrimination and harassment, sexual assault, interpersonal violence and stalking. These awareness events and activities provide information about these topics, campus prevention efforts, available resources and University policies. The campaign includes a social media component as well as resources, events and programs. Programming includes providing resources to residence hall rooms prior to move-in, distribution of resources to students through its social media content, participation in tabling events during awareness months, tabling and presenting at orientation, and through partnerships with Carolina Housing and Student Wellness.

Bystander Intervention and Risk Reduction

Bystanders play a crucial role in the prevention of sexual assault, dating and domestic violence, and stalking and relationship violence. We hope Carolina students will intervene directly or indirectly when they notice that someone is experiencing or at risk of experiencing these types of violence. There are five basic steps to bystander intervention:

- Notice the event.
- Interpret the situation as a problem.
- Assume personal responsibility.
- Choose how you'll intervene.
- Intervene.

We may not always know what to do even if we want to help. Below are some suggestions for things you can do:

- Watch out for your friends and fellow students/employees. If you see someone who looks like they could be in trouble or need help, ask if they are ok.
- Confront the person who is engaging in this behavior directly, if you feel safe to do so.
- Create a distraction, like flipping the lights on at a party, spilling a drink or asking people to go get food with you.
- Create a plan with the people around you. Have some of your friends talk to the person engaging in the harassing behavior while another couple of friends make sure the person experiencing harm is okay.
- Familiarize yourself with campus resources so that you can reach out for help for you or your peers.

Risk Reduction Strategies

No one asks to be sexually assaulted or to experience abuse in a relationship and the person responsible for violence is the person who caused harm, not the person who experienced it. However, there are some things it would

be helpful to keep in mind to reduce your risk (adapted from the Rape and Incest National Network):

- Trust your instincts. If a situation or location feels unsafe or uncomfortable, it is okay to leave.
- Avoid being isolated with someone you do not trust or someone you do not know if you can.
- When you go to a social gathering, go with a group of friends, arrive together, check in with each other throughout the evening and leave together. Knowing where you are and who is around you may help you to find a way out of a bad situation.
- Do not leave your drink unattended while talking, dancing, using the restroom or making a phone call. If you have left your drink alone, just get a new one.
- Be thoughtful about accepting drinks from people you don't know or trust. If you choose to accept a drink:
 - Go with the person to the bar to order it, watch it being poured and carry it yourself.
 - At parties, do not drink from the punch bowls or other large, common open containers.
- Watch out for your friends and vice versa. If a friend seems out of it, is way too intoxicated for the amount of alcohol they have had or is acting out of character, get them to a safe place immediately.
- If you need to get out of an uncomfortable or scary situation here are some things that you can try:
 - Remember that you are not obligated to do anything you do not want to do or be nice to someone who is scaring you or is making you uncomfortable. "I don't want to" is always a good enough reason. Do what feels right to you and what you are comfortable with.
 - Have a code word with your friends or family so if you do not feel comfortable you can call them and communicate your discomfort without the person you are with knowing. Your friends or family can then come to get you or make up an excuse for you to leave.
 - Lie. If you do not want to hurt the person's feelings, it is better to lie and make up a reason to leave than to stay and be uncomfortable, scared or worse. Some excuses you could use are: needing to take care of a friend or family member, not feeling well, having somewhere else that you need to be, etc.
 - If you and/or the other person have been drinking, you can say that you would rather wait until you both have your full judgment before doing anything you may regret later.

State of North Carolina Definitions of Rape, Sexual Assault, Domestic Violence and Stalking

§ 50B-1. Domestic violence; definition

- a. Domestic violence means the commission of one or more of the following acts upon an aggrieved party or upon a minor child residing with or in the custody of the aggrieved party by a person with whom the aggrieved party has or has had a personal relationship, but does not include acts of self-defense:
 1. Attempting to cause bodily injury, or intentionally causing bodily injury; or
 2. Placing the aggrieved party or a member of the aggrieved party's family or household in fear of imminent serious bodily injury or continued harassment, as defined in G.S. 14-277.3A, that rises to such a level as to inflict substantial emotional distress; or
 3. Committing any act defined in G.S. 14-27.21 through G.S. 14-27.33.
- b. For purposes of this section, the term "personal relationship" means a relationship wherein the parties involved:
 1. Are current or former spouses;
 2. Are persons of opposite sex who live together or have lived together;
 3. Are related as parents and children, including others acting in loco parentis to a minor child, or as grandparents and grandchildren. For purposes of this subdivision, an aggrieved party may not obtain an order of protection against a child or grandchild under the age of 16;
 4. Have a child in common;
 5. Are current or former household members;
 6. Are persons of the opposite sex who are in a dating relationship or have been in a dating relationship. For purposes of this subdivision, a dating relationship is one wherein the parties are romantically involved over time and on a continuous basis during the course of the relationship. A casual acquaintance or ordinary fraternization between persons in a business or social context is not a dating relationship.
- c. As used in this Chapter, the term "protective order" includes any order entered pursuant to this Chapter upon hearing by the court or consent of the parties. (1979, c. 561, s. 1; 1985, c. 113, s. 1; 1987, c. 828; 1987 (Reg. Sess., 1988), c. 893, ss. 1, 3; 1995 (Reg. Sess., 1996), c. 591, s. 1; 1997-471, s. 1; 2001-518, s. 3; 2003-107, s. 1; 2009-58, s. 5; 2015-181, s. 36.)

§ 14-27.21. First-degree forcible rape

- a. A person is guilty of first-degree forcible rape if the person engages in vaginal intercourse with another person by force and against the will of the other person and does any of the following:
 1. Employs or displays a dangerous or deadly weapon or an article which the other person reasonably believes to be a dangerous or deadly weapon.
 2. Inflicts serious personal injury upon the victim or another person.
 3. The person commits the offense aided and abetted by one or more other persons.
- b. Any person who commits an offense defined in this section is guilty of a Class B1 felony.
- c. Upon conviction, a person convicted under this section has no rights to custody of or rights of inheritance from any child born as a result of the commission of the rape, nor shall the person have any rights related to the child under Chapter 48 or Subchapter 1 of Chapter 7B of the General Statutes. (1979, c. 682, s. 1; 1979, 2nd Sess., c. 1316, s. 4; 1981, c. 63; c. 106, ss. 1, 2; c.179, s. 14; 1983, c. 175, ss. 4, 10; c. 720, s. 4; 1994, Ex. Sess., c. 22, s. 2; 2004-128, s. 7; 2015-181, s.3(a), (b).)

§ 14-27.22. Second-degree forcible rape

- a. A person is guilty of second-degree forcible rape if the person engages in vaginal intercourse with another person:
 1. By force and against the will of the other person; or
 2. Who is mentally disabled, mentally incapacitated, or physically helpless and the person performing the act knows or should reasonably know the other person is mentally disabled, mentally incapacitated, or physically helpless.
- b. Any person who commits the offense defined in this section is guilty of a Class C felony.
- c. Upon conviction, a person convicted under this section has no rights to custody of or rights of inheritance from any child conceived during the commission of the rape, nor shall the person have any rights related to the child under Chapter 48 or Subchapter 1 of Chapter 7B of the General Statutes. (1979, c. 682, s. 1; 1979, 2nd Sess., c. 1316, s. 5; 1981, cc. 63, 179; 1993, c. 539, s. 1130; 1994, Ex. Sess., c. 24, s. 14(c); 2002-159, s. 2(b); 2004-128, s. 8; 2015-181, s. 4(a), (b).)

§ 14-27.26. First-degree forcible sexual offense

- a. A person is guilty of a first-degree forcible sexual offense if the person engages in a sexual act with another person by force and against the will of the other person and does any of the following:
 1. Employs or displays a dangerous or deadly weapon or an article which the other person reasonably believes to be a dangerous or deadly weapon.
 2. Inflicts serious personal injury upon the victim or another person.
 3. The person commits the offense aided and abetted by one or more other persons.
- b. Any person who commits an offense defined in this section is guilty of a Class B1 felony. (1979, c. 682, s. 1; 1979, 2nd Sess., c. 1316, s. 6; 1981, c. 63; c. 106, ss. 3, 4; c. 179, s. 14; 1983, c. 175, ss. 5, 10; c. 720, s. 4; 1994, Ex. Sess., c. 22, s. 3; 2015-181, s. 8(a), (b).)

§ 14-27.27. Second-degree forcible sexual offense

- a. A person is guilty of second degree forcible sexual offense if the person engages in a sexual act with another person:
 1. By force and against the will of the other person; or
 2. Who is mentally disabled, mentally incapacitated, or physically helpless and the person performing the act knows or should reasonably know that the other person is mentally disabled, mentally incapacitated, or physically helpless.
- b. Any person who commits the offense defined in this section is guilty of a Class C felony. (1979, c. 682, s. 1; 1979, 2nd Sess., c. 1316, s. 7; 1981, c. 63; c. 179, s. 14; 1993, c. 539, s. 1131; 1994, Ex. Sess., c. 24, s. 14(c); 2002-159, s. 2(c); 2015-181, s. 9(a), (b).)

§ 14-277.3A. Stalking

- a. A defendant is guilty of stalking if the defendant willfully on more than one occasion harasses another person without legal purpose or willfully engages in a course of conduct directed at a specific person without legal purpose and the defendant knows or should know that the harassment or the course of conduct would cause a reasonable person to do any of the following:
 1. Fear for the person's safety or the safety of the person's immediate family or close personal associates

2. Suffer substantial emotional distress by placing that person in fear of death, bodily injury, or continued harassment.
- b. A violation of this section is a Class A1 misdemeanor. A defendant convicted of a Class A1 misdemeanor or under this section, who is sentenced to a community punishment, shall be placed on supervised probation in addition to any other punishment imposed by the court. A defendant who commits the offense of stalking after having been previously convicted of a stalking offense is guilty of a Class F felony. A defendant who commits the offense of stalking when there is a court order in effect prohibiting the conduct described under this section by the defendant against the victim is guilty of a Class H felony.
- c. Pursuant to G.S. 15A-134, if any part of the offense occurred within North Carolina, including the defendant's course of conduct or the effect on the victim, then the defendant may be prosecuted in this State. (2008-167, s. 2.)

State of North Carolina Definitions of Dating Violence and Consent

North Carolina does not have a state statute defining dating violence or consent to sexual activity. North Carolina criminal law prohibits sexual acts that are by force and against the will of the other person or acts that are against people who are mentally disabled, mentally incapacitated or physically helpless. In determining whether a person gave consent, or was capable of giving consent, the facts of the situation will be assessed. Physical resistance is not necessary to prove the lack of consent, nor is actual force. In North Carolina, consent is not submission due to fear, fright, coercion or the realization that in a particular situation resistance is futile.

The University's Policy on Prohibited Discrimination, Harassment and Related Misconduct does provide a definition of consent which is also used in the University's new Policy on Prohibited Sexual Harassment Under Title IX. The policy states that:

- Consent is the communication of an affirmative, conscious and freely made decision by each participant to engage in agreed-upon forms of sexual contact. Consent requires an outward demonstration, through understandable words or actions, that conveys a clear willingness to engage in sexual contact.
- Consent is not to be inferred from silence, passivity or a lack of resistance and relying on nonverbal communication alone may result in a violation of this policy.
- Consent is not to be inferred from an existing or previous dating or sexual relationship, or from consent to sexual activity on any prior occasion.
- Consent cannot be obtained by coercion or force or by taking advantage of one's inability to give consent because of Incapacitation or other circumstances.

Procedures for Reporting Sexual Violence and Related Misconduct

Procedures to follow to address sex offenses, domestic violence, dating violence, sexual assault, or stalking: As reflected in the University's Policy on Prohibited Discrimination, Harassment and Related Misconduct and Policy on Prohibited Sexual Harassment Under Title IX, the University prohibits the crimes of dating violence, domestic violence, sexual assault and stalking. The University strongly encourages all students and employees, whether they have experienced the conduct, witnessed the conduct, or otherwise have knowledge of sexual violence and related misconduct, to promptly and accurately report any incidents of sexual assault, dating violence, domestic violence or stalking, whether they occurred on campus or off, to the appropriate law enforcement authorities and the University, as described below. A report of sexual violence or related misconduct can be made to the University, the police or to both. Individuals who make a report will receive information in writing about their rights and options. Details about reporting options are provided below. All individuals who make a good faith report or participate in an investigation or adjudication process under this policy are protected from retaliation. The University will honor orders of protection, no contact orders (issued and enforced by University officials), restraining orders and similar lawful orders issued by a criminal, civil or tribal court. The University will also provide available support measures such as changes to housing or academic schedules regardless of the process chosen.

Options regarding reporting to law enforcement: The individual who has experienced violence has the right to notify law enforcement and the option to decline to notify law enforcement. In an emergency, a party who wishes to report this conduct to law enforcement should call 911 immediately so the appropriate law enforcement agency can respond to provide protection and to initiate a criminal investigation. When 911 is dialed on campus, UNC Police will respond and inform University staff of the incident when necessary.

For nonemergency situations, parties wishing to report conduct should call local law enforcement and ask to speak with an investigator. Local law enforcement agencies can be reached at the following nonemergency numbers:

- On campus – UNC Police at 919-962-8100.
- In Chapel Hill – Chapel Hill Police Department at 919-968-2760.
- In Carrboro – Carrboro Police Department at 919-918-7397.
- In Orange County (outside city limits) – Orange County Sheriff’s Office at 919-245-2900.

Options regarding medical treatment: Those who have experienced sexual violence and related misconduct are strongly encouraged to seek immediate medical treatment.

The preservation of evidence is important in these cases. Evidence collected can be used to support a report and may be helpful in obtaining a protection order through the court system. In order to preserve evidence, an individual who has experienced sexual assault is encouraged not to change clothes, bathe or use the bathroom before seeking medical assistance. The individual may have a forensic exam completed either at UNC Hospitals by a Sexual Assault Nurse Examiner or at Campus Health. A forensic exam can be completed up to five days after an assault. If an individual first reports sexual violence to law enforcement, they can transport the individual to receive medical assistance. In many cases, the cost of treatment can be covered by the University’s Survivor Assistance Fund.

If an individual seeks medical assistance, Campus Health or UNC Hospitals personnel will, at the individual’s request, contact law enforcement. It is the decision of the individual who has experienced sexual violence as to whether to speak with a law enforcement officer at the time the forensic exam is completed. Under North Carolina law, an individual can opt to have evidence collected and have the evidence held while they decide when or if they wish to make a report to law enforcement. Individuals are encouraged to consider preserving evidence as soon as possible after an incident regardless of whether the individual has decided to contact law enforcement and/or to report the incident to the University.

Options regarding reporting to the University: In addition to pursuing criminal charges through the legal system, an individual who has experienced sexual violence or related misconduct can choose to report the incident to the University, which provides the option of addressing the incident under the University’s Policy on Prohibited Discrimination, Harassment and Related Misconduct or Policy on Prohibited Sexual Harassment Under Title IX. Reports of sexual violence and related misconduct are submitted to the University’s Equal Opportunity and Compliance Office, which includes the Title IX Compliance Coordinator and Report and Response Coordinators:

- **Equal Opportunity and Compliance Office**
214 W. Cameron Ave., 919-966-3576
- **Title IX Coordinator**
214 W. Cameron Ave., 919-445-1297
- **Report and Response Coordinators**
214 W. Cameron Ave., 919-445-2759

These resources will also assist employees and students in notifying UNC Police and other local police authorities, as requested.

Anonymous reporting options: The University has several options for reporting an incident of sexual violence anonymously:

- Individuals can make an anonymous report on the EOC website.
- Individuals can submit an anonymous report of any crime, including sexual assault and interpersonal violence, via the UNC Police Silent Witness website. These reports are reviewed by UNC Police but will generally not result in an investigation.

Blind reporting options: A blind report is one where the individual provides personally identifying information on a police report but asks that the report not be investigated. The individual can change their mind later and ask for the report to be investigated. UNC Police will take a blind report if requested, as will Chapel Hill and Carrboro police departments.

Procedures for Institutional Disciplinary Action: There are different procedures depending on whether the conduct meets the definition and jurisdiction of the University’s Policy on Prohibited Sexual Harassment Under Title IX or the University’s Policy on Prohibited Discrimination, Harassment and Related Misconduct. If the conduct is addressed under the Policy on Prohibited Sexual Harassment Under Title IX, then the University’s Procedure for Reporting and Responding to Complaints of Sexual Harassment Under Title IX will apply. If the conduct is addressed under the University’s Policy on Prohibited Discrimination, Harassment and Related Misconduct, then separate

procedures will apply and will depend on the status (student, employee, third party) of the party reported to have engaged in the prohibited misconduct.

Under either set of procedures, parties may agree to a voluntary resolution of their report, instead of a formal investigation and adjudication. Voluntary resolutions are voluntary and must be agreed to by the participating parties; do not involve an investigation or disciplinary action against the Responding Party; and are not appropriate in all cases. The University retains discretion to determine whether voluntary resolution is appropriate and reaches that determination using factors set out in the relevant procedures. There are two categories of Informal Resolution: 1) resolutions that focus on supporting the Reporting Party with no participation or involvement by the Responding Party, and 2) resolutions that involve a facilitated agreement with the Responding Party. Resolutions may involve supportive measures, education and training, increased monitoring or security, facilities conversations between the parties, mutually agreed upon parameters for interaction between the parties, and other measures designed to create an inclusive and non-discriminatory environment. The time frame for completion of Voluntary Resolution may vary depending on the complexity of the matter, but the University will seek to complete the process within thirty (30) business days of the Equal Opportunity and Compliance Office's determination that Voluntary Resolution is appropriate.

Alternatively, reports may be resolved through a formal investigation, described in more detail below.

Prompt, fair, and impartial investigation and resolution by trained personnel: Under all procedures for investigations of incidents of sexual violence and related misconduct, the Equal Opportunity and Compliance Office will conduct the investigation. If the conduct is being addressed under the Policy on Prohibited Discrimination, Harassment and Related Misconduct, the EOC investigator(s) will determine whether there has been a violation of the policy using a preponderance of the evidence ("more likely than not") standard; depending upon the outcome and preferences of the parties, there may also be a hearing. If the conduct falls under the Policy on Prohibited Sexual Harassment Under Title IX, the determination of whether there has been a violation of that policy will be made by a hearing officer after conducting a live hearing; the hearing officer will use the preponderance of the evidence standard.

The investigators, hearing panelists and hearing officer receive annual training and ongoing training throughout the year on issues related to sexual violence and related misconduct. They are also provided with training on how to conduct investigations and hearings in a fair and equitable manner, without conflicts of interest, that both protect the safety of those involved and promote accountability.

Process timeline: Consistent with the goal to maximize educational opportunities and minimize the disruptive nature of the investigation and resolution, the Equal Opportunity and Compliance Office and Title IX Compliance Coordinator seek to resolve all reports involving a student as the responding party within one academic semester, depending on when the report is received. In general, an investigation may last up to 60 business days. Adjudication will generally take up to 30 business days. The Equal Opportunity and Compliance Office and Title IX Coordinator may set reasonable time frames for required actions under the policy. Those time frames may be extended for good cause as necessary to ensure the integrity and completeness of the investigation, comply with a request by external law enforcement, accommodate the availability of witnesses, accommodate delays by the parties, account for University breaks or vacations, or address other legitimate reasons, including the complexity of the investigation (including the number of witnesses and volume of information provided by the parties) and the severity and extent of the alleged conduct. Any extension of the timeframes and the reason for the extension will be shared with the parties in writing. Best efforts will be made to complete the process in a timely manner while also ensuring thoroughness and due process.

Standard of evidence: As stated above, the University uses the preponderance of the evidence ("more likely than not") standard for all adjudications of discrimination, harassment and related misconduct, including sexual violence reports. A decision is made based solely upon the evidence and testimony presented during the proceeding.

Opportunity to have others present: During the investigation and hearing under the Policy on Prohibited Sexual Harassment Under Title IX, a reporting and responding party each have the right to an advocate of choice as well as an additional support person. The non-attorney advocate or attorney can participate in all meetings and proceedings to the same extent as the party.

Under the Policy on Prohibited Discrimination, Harassment and Related Misconduct, the student parties are entitled to a support person of the student's choosing as well as an additional support person or advocate (non-attorney or attorney).

Notice of outcome: The decision as to the outcome of all steps in the process, including an initial investigation, any appeal and the final outcome will be sent in writing, simultaneously to both reporting and responding parties. The notice will include information consistent with Title IX, the Clery Act, VAWA, the Family Educational Rights and Privacy Act (FERPA), other applicable laws and appeal procedures. If a reporting party who experienced a non-forcible sex offense or other violent crime is deceased, written notification of the outcome will be provided to the next of kin upon written request.

Appeals: Either party may appeal the investigation outcome or the hearing outcome only on the following grounds: under the Title IX Policy, (1) procedural irregularity that affected the outcome of the matter, (2) new evidence that was not reasonably available at the time of the determination regarding responsibility or sanction(s) was made that could affect the outcome of the matter, or (3) the Title IX Coordinator, investigator(s), or hearing officer had a conflict of interest or bias for or against reporting parties or responding parties generally or the individual reporting party or responding party that affected the outcome of the matter; or under the Prohibited Discrimination, Harassment and Related Misconduct Policy, (1) violation of due process, (2) material deviation from the procedures set out in section 700.4.1 of the University of North Carolina Policy Manual, or (3) newly discovered information not previously available through the exercise of due diligence that would substantially affect the outcome. The appeal must be submitted in writing to a Report and Response Coordinator or other designated individual in the Equal Opportunity and Compliance Office within five (5) business days of the Notice of Hearing Outcome. If the appeal is filed in accordance with the policy, each party will be given the opportunity to review the written appeal and respond to it in writing to the Appeals Officer. Where the appeal to the University affirms a hearing outcome that includes expulsion, either party may further appeal the hearing outcome to the Board of Trustees on the following grounds: 1) violation of due process; and, 2) material deviation from the Minimum Substantive and Procedural Standards for Student Disciplinary Procedures adopted by the Board of Governors, University of North Carolina Policy Manual § 700.4.1. Appeals to the Board of Trustees must be filed in accordance with The University of North Carolina Board of Trustees Procedures for Appeals. Where the Board of Trustees affirms the hearing outcome, the decision is final and is not subject to further appeal.

Note: Where the appeals officer affirmed a hearing outcome that included suspension prior to May 25, 2023, either party could further appeal the hearing outcome to the Board of Trustees on the grounds set out above. Effective May 25, 2023, appeals to the Board of Trustees are limited to matters in which the sanction is expulsion.

Possible sanctions and protective measures: The institution may impose either sanctions or protective measures following a final determination of sexual violence and related misconduct. Sanctions and protective measures depend on the status of the responding party (student or employee) and can include expulsion or termination, suspension, probation, educational requirements, 'no-contact' orders, housing restrictions, written reprimand and, in appropriate situations, other corrective measures tailored to the specific facts and circumstances. In addition to any University-imposed sanction, the responding party may also separately face criminal charges.

How the institution will protect the confidentiality of affected individuals: The University recognizes the sensitive nature of dating violence, domestic violence, sexual assault and stalking and is committed to protecting the privacy of any individual involved in a report of prohibited conduct. UNC Police ensure personally identifying information about victims will not be included in any publicly available recordkeeping, including Clery Act reporting and disclosures such as the annual security report and the daily crime log. Personally identifying information includes:

- A first and last name.
- A home or other physical address.
- Contact information (including a postal, email or Internet Protocol address, or telephone or fax number).
- A social security number, driver's license number, passport number or student identification number.
- Any other information, including date of birth, racial or ethnic background, or religious affiliation that would serve to identify any individual.

Under the Policy on Prohibited Discrimination, Harassment and Related Misconduct, where a reporting party makes a report of sexual violence or related misconduct but requests their name or other identifiable information not be shared with the responding party or that there be no investigation or adjudication, the Equal Opportunity

and Compliance Office will balance this request against the following factors in reaching a determination about whether the request can be honored:

- The nature and scope of the alleged conduct, including whether the reported misconduct involves the use of a weapon.
- The respective ages and roles of the reporting and responding parties.
- The risk posed to any individual or to the campus community by not proceeding, including the risk of additional violence.
- Whether there have been other reports of misconduct by the responding party.
- Whether the report reveals a pattern of misconduct (e.g., via illicit use of drugs or alcohol) at a given location or by a particular group.
- The reporting party's wish to pursue disciplinary action.
- Whether the University possesses other means to obtain relevant evidence.
- Considerations of fundamental fairness and due process with respect to the responding party should the course of action include disciplinary action.
- The University's obligation to provide a safe and nondiscriminatory environment.

Where possible based on the facts and circumstances, the Equal Opportunity and Compliance Office will seek action consistent with the reporting party's expressed preference for manner of resolution, recognizing the University must move forward with cases in which there appears to be a threat to any individual or the University as a whole. The University's ability to fully investigate and respond to a report may be limited if the reporting party requests their name not be disclosed to the responding party or declines to participate in an investigation.

Under the Policy on Prohibited Sexual Harassment Under Title IX, the University will move forward with a formal investigation only upon receipt of a Formal Complaint by the reporting party or Title IX Coordinator. In all cases, the University will protect the privacy of the parties and witnesses.

Services and Support for Individuals Affected by Sexual Violence or Related Misconduct

On-campus and community counseling, health, mental health, victim advocacy and other services available for affected individuals: Individuals disclosing sexual violence or related misconduct to the University are notified in writing of counseling, health, mental health, visa and immigration, and victim advocacy services. Individuals may seek confidential emotional and psychological support as well as medical care from on-campus University resources for incidents of sexual violence and related misconduct by contacting:

- Campus Health Services (students): 919-966-2281.
- Counseling and Psychological Services (CAPS) (students): 919-966-3658.
- ComPsych Employee Assistance Program Service (employees): 877-314-5841.
- Gender Violence Services Coordinators (students and employees): 919-962-1343 or 919-962-7430.
- University Ombuds Office (students and employees): 919-843-8204.

Confidential off-campus resources include:

- Compass Center for Women and Families: 919-929-7122.
- Emergency Department at UNC Hospitals: 984-974-4721.
- Orange County Rape Crisis Center: 919-967-7273.

Identifying information shared with a confidential resource will not be disclosed to anyone else, including the University, without the reporting party's express permission, unless there is a continuing threat of serious harm or there is a legal obligation to reveal such information (e.g., suspected abuse of a minor). At the student's request, the University offices listed above will help the student contact a law enforcement agency.

Assistance in changing academic, living, transportation and working situations: As reflected in the Policy on Prohibited Discrimination, Harassment and Related Misconduct, the University provides a collaborative course of action when an individual reports or discloses sexual violence or related misconduct. The following staff members work together to identify and provide support and protective measures in a confidential manner to the extent that maintaining such confidentiality would not impair the ability of the institution to provide the accommodations or protective measures:

- Equal Opportunity and Compliance Office.
 - Title IX Coordinator.
 - Report and Response Coordinators.
- Gender Violence Services Coordinators.
- Campus Health Services.
- Counseling and Psychological Services (CAPS).

- UNC Police.
- Office of the Dean of Students.
- Carolina Housing.
- Office of Human Resources.
- Academic deans and advisors.

These measures, which include no contact orders, counseling, workplace accommodations, visa and immigration assistance and academic (e.g., extension of time to complete class work, withdrawal from a course, section or schedule change) and housing accommodations, are available regardless of whether the affected individual pursues adjudication under University policy or through criminal proceedings.

Carolina Housing also provides several safe spaces in campus housing for temporary use. These spaces are located in the residence halls and provide the option for a support person to accompany the affected individual until other arrangements are confirmed. Arrangements for safe spaces are made by contacting UNC Police at 919-962-8100, which will connect the affected individual to the live-in professional staff on call.

Sex Offender Registry

In accordance with the Campus Sex Crimes Prevention Act of 2000, which amends the Jacob Wetterling Crimes Against Children and Sexually Violent Offender Registration Act and the Jeanne Clery Act, the University of North Carolina at Chapel Hill is providing a link to the North Carolina State Bureau of Investigation sex offender registry (<https://www.nc.gov/services/sex-offender-registry/>). The Acts referred to above requires institutions of higher education to issue a statement advising the campus community where law enforcement information provided by a state concerning registered sex offenders may be obtained.

North Carolina law currently requires sex offenders and individuals adjudged to be sexually violent predators to register with the sheriff of the county where they are living and the sheriff maintains a registry of this information that is available to the public upon request. Registrants must furnish the following information: name, sex, address, physical description, picture, conviction date, offense for which registration was required, the sentence imposed as a result of the conviction and registration status. An offender who is a non-resident student or non-resident worker must maintain registration with the Sheriff of the county where the offender works or attends school and must also identify any school of attendance or place of employment.

The Orange County Sheriff maintains the registry for individuals who live, work, or attend school in Orange County. The North Carolina State Bureau of Investigation maintains a searchable website for all registered sex offenders and sexually violent predators. According to the North Carolina Department of Justice, "This information is made available for purposes of protecting the public, for keeping them informed and for allowing them to take proactive measures to ensure safety in their communities. Use and/or misuse of this information by individuals, groups or entities to commit criminal acts (to include, but not limited to, threats, intimidation, stalking, harassment) against other persons is subject to criminal prosecution."

University Policies on Drugs and Alcohol

Policies, Workplace Requirements and Disciplinary Proceedings

Illegal or abusive use of drugs or alcohol can adversely affect the educational environment and prevent a person from achieving personal, social and educational goals. The University has had a Drug and Alcohol Abuse Prevention Program for faculty, staff and students since 1987 that addresses substance abuse through education and, when appropriate, through referral or disciplinary action. Since then, the Drug Free Workplace Act of 1988, the Drug Free Schools and Communities Amendments of 1989 and the Crime Awareness and Campus Security Act of 1990 have established certain federal reporting and information distribution requirements designed to combat drug and alcohol abuse. Additional information, including information about local, state and federal penalties related to drug and alcohol use can be found in the Drug and Alcohol Abuse Prevention Program report (<https://police.unc.edu/about/drug-and-alcohol-prevention-program-report/>)

Campus Alcohol and Drug Policies: The University's Alcohol Policy establishes rules on student and employee alcohol use and possession, additional rules for recognized student groups and University consequences for violations of those rules. In North Carolina, "It is against the law for any person under twenty-one (21) to possess, use, distribute, or purchase any alcoholic beverage." The Alcohol Policy also restricts the possession, use and distribution of alcohol by students and employees over age 21 on University property and as part of University activities.

It provides guidance on serving alcohol at events on campus and restricts the service of alcohol in accordance with North Carolina law. Further, the policy also contains a medical amnesty provision.

University Policy on Illegal Drugs: All students, faculty and staff are responsible for knowing about and complying with the Illegal Drugs Policy. Those responsibilities include being aware of and complying with state laws that make it a crime to possess, use, sell, deliver or manufacture drugs designated collectively as “controlled substances” in Article 5 of Chapter 90 of the North Carolina General Statutes. These substances include cocaine, amphetamines, anabolic steroids, marijuana and other drugs. Any University community member who violates those laws may be subject both to criminal prosecution and punishment by civil authorities and to disciplinary proceedings by the University. Copies of the full text of the policy are available through the Division of Student Affairs, the Office of Human Resources and online (<https://policies.unc.edu/TDClient/2833/Portal/KB/ArticleDet?ID=132140>).

Drug-Free Workplace Requirements: Federal legislation also requires, as a condition of employment, that any faculty, staff member or student assistant engaged in the performance of a federal grant or contract must abide by the University’s drug policy and, if they are convicted of a violation of any criminal drug statute in the workplace, must give written notice of that conviction to the appropriate dean, director or department chair within five days thereafter. The dean, director or chair should forward any such reports to the University’s vice chancellor and general counsel.

Disciplinary Proceedings: Disciplinary proceedings against a student, faculty or staff member, or other employee will be initiated under the University’s Illegal Drugs Policy. Possible penalties for violations of the Illegal Drugs Policy range from written warnings with probationary status to expulsion from enrollment and discharge from employment. On-the-job drug or alcohol impairment or any possession or use of alcohol on campus other than that authorized by the policies noted above are not permitted under these policies and will be addressed appropriately through established student, faculty and staff disciplinary procedures.

Minimum University Sanctions for Students and Employees:

- Sale of amphetamines, cocaine, GHB, heroin, LSD, MDMA, opium, oxycodone, or psilocybin.
 - Student expulsion and employee discharge.
- Illegal possession of these drugs.
 - First offense: suspension from enrollment or employment for at least one semester. Because the Illegal Drugs Policy requires, at a minimum, a longer suspension without pay than State Personnel Commission regulations allow, the penalty for a first offense committed by an SHRA employee is discharge.
 - Second offense: sanctions up to expulsion for students and discharge for employees.
- Sale of anabolic steroids or marijuana.
 - First offense: suspension from enrollment or employment for at least one semester. Because of State Personnel Commission rules, SHRA employees will be discharged.
 - Second offense: student expulsion and employee discharge.
- Illegal possession of these drugs.
 - First offense: Probation. Possible conditions of probation include drug education and counseling, regular drug testing and other appropriate conditions.
 - If a student or employee fails to comply with probation conditions: suspension for the balance of the probation period. Because of State Personnel Commission rules, if the balance of an SHRA employee’s probation period exceeds one work week, he/she will be discharged.
 - Subsequent offenses: progressively more severe penalties, including expulsion and discharge.
- Violations of the Alcohol Policy.
 - Disciplinary action up to and including termination for employees.
 - Students will be referred to Wellness Services for BASICS and may be required to pay restitution or complete community service. BASICS is a preventive alcohol abuse intervention program for college students 18 to 24 years old. It is aimed at students who have had negative experiences or other problems related to alcohol misuse. The program is designed to help students make better alcohol-use decisions and to overall reduce their risks for alcohol-related harm. The program’s style is not confrontational or judgmental and consists of two sessions with a Student Wellness staff member. Students who enroll in BASICS are assessed a fee for service that is charged to the student’s account. Students who violate the Alcohol Policy will also be subject to disciplinary probation for a definite or indefinite period, including probation with associated conditions or requirements. Probation means that a student may

remain at the University but may be required to satisfy specified conditions or requirements, report regularly to appropriate University officials or community professionals and may be barred from holding any office or participating in any activity in which the student represents the University or University-recognized student organizations either within or outside the University community. The sanction of probation prohibits graduation until the period of probation has ended and the student has complied with all requirements of the sanctions. Disciplinary probation shall be reflected on a student's academic transcript while active but will be removed upon successful completion of disciplinary probation. For repeat or egregious violations including sale or provision of alcohol to minors, students may face additional disciplinary sanctions, including suspension from the University. For violations occurring in University housing, students may receive additional housing sanctions. Student organizations face revocation of their University recognition.

- The following are situations in which a student will be granted amnesty for violations of the Alcohol Policy:
 - **Students in need of emergency medical attention:** A student who seeks medical attention or a student for whom medical assistance was sought by another person as a result of the consumption of alcohol and who fully cooperates with emergency responders.
 - **Victim of a crime:** A student who has been the victim of a crime after consuming alcohol and reports the crime to law enforcement or University officials.
 - **Reporting party:** A student who has experienced sexual violence, interpersonal violence, or other violation of the Policy on Prohibited Discrimination, Harassment and Related Misconduct.
 - **Caller or support person:** A student, who calls on behalf of or accompanies an impaired individual, remains with that individual until assistance arrives and fully cooperates with emergency responders.

Substance Abuse Prevention

The University's Office of Human Resources offers many work-life and wellness trainings to help employees manage stress in healthy ways. Courses include "Resiliency: Bouncing Back After a Setback" and "Stress: A Way of Life or a Fact of Life." A full list of courses is available in the Office of Human Resources training catalog and additional resources for employee wellness are listed on the events calendar.

For students, the University offers a full continuum of education, skill building and intervention supports, along with regular alcohol and drug free programming to encourage students to have fun safely. All incoming new students are expected to complete Part One of EVERFI's AlcoholEdu online module prior to arriving on campus. Once on campus, students can participate in Alcohol 101, a workshop designed to educate student organizations on the risks to self, others and community that are associated with alcohol use as well as effective harm reduction strategies if students choose to use alcohol. They can also engage with Carolina After Dark (CAD). CAD events all take place after 9 p.m. on Thursday, Friday and Saturday nights and they must be alcohol free. Registered student groups can apply for CAD grants to support these events. More information about these programs can be found on the Student Wellness website.

UNC Police partners with Carolina Housing to offer "Alcohol Awareness". This program brings information to students about the environment of alcohol consumption on a college campus. This program provides information on understanding the physiological effects of overconsumption, impaired driving and also provides students with the opportunity to explore the social norms that drive alcohol consumption in a college environment. UNC Police also offers Operation Medicine Drop. Utilizing partnerships with the SBI and Federal Drug Enforcement Administration, this program allows individuals to drop off expired or unnecessary medications with UNC Police for proper disposal on a "no questions asked" basis.

Where to Get Help for a Substance Abuse Problem: There is help available for those who seek it. Student Wellness provides BASICS on a referral basis for students who violate the student alcohol policy, or on a self-referral basis, for any student who may be questioning their alcohol use patterns. Additionally, Student Wellness provides referral assistance to students and their families for local substance abuse counselors, Intensive Outpatient Programs (IOPs) and Inpatient Treatment Programs. Student Wellness also offers mentorship and social support for students in recovery from substance abuse through the Carolina Recovery Community. They can be accessed by calling 919-962-9355.

Counseling and Psychological Services offers clinical assessments, brief counseling and referrals for students seeking help for substance abuse problems. They can be accessed by calling 919-966-3658.

The UNC Health Substance Treatment and Recovery (STAR) offers clinical assessments, comprehensive DUI services, intensive outpatient counseling and group support. They can be accessed by calling 984-974-6320.

The University's Employee Assistance Program (EAP) provides assessment, referrals and online resources for employees and their family members. Local community mental health agencies and personal physicians can identify treatment resources and information, and assistance is also available from local chapters of Alcoholics Anonymous and Narcotics Anonymous. They can be accessed by calling 877-314-5841 (24 hours a day).

Information on Health Risks

Information about the health risks associated with drug abuse and the misuse of alcohol is available from Campus Health. As the federal Drug Free Schools and Communities Amendments of 1989 require, included below is a description of the health risks associated with the use of illicit drugs and misuse of alcohol, a summary of applicable legal sanctions for the unlawful possession or distribution of illicit drugs and alcohol, and a summary of the University's minimum sanctions for unlawful possession, use, or distribution of illicit drugs and alcohol by students or employees on University property or as a part of any University activity.

Illegal drugs and alcohol not only pose serious health risks to those who use them, but state and federal criminal penalties for possession, sale, trafficking and illegal interstate transportation also are severe. University disciplinary sanctions for the possession and sale of illegal drugs and alcohol can result in disruption or termination of University education or employment. More detailed information for a selected list of substances follows:

Alcohol: This depressant (<https://nida.nih.gov/research-topics/alcohol>) slows down the heart, nervous system and brain and high doses of alcohol can cause someone to stop breathing. Prolonged immoderate use can cause artery disease, heart failure and liver damage including cancer, cirrhosis and hepatitis. Women may develop alcohol-related health problems sooner than men and from drinking less alcohol than men. Because alcohol affects nearly every organ in the body, long-term heavy drinking increases the risk for many serious health problems.

Marijuana: Marijuana (<https://nida.nih.gov/research-topics/cannabis-marijuana>) has various risks associated with use, whether inhaled or ingested with food. Evidence indicates it can affect brain development in teens and young adults. In the short-term, it causes problems with short term memory and learning, distorts perception (sights and sounds) and causes poor coordination and decision making. It has been known to contain more than 400 chemicals and has 2½ times as much tar as tobacco. Because it decreases concentration and learning abilities, marijuana is particularly detrimental to students.

Research shows that marijuana users experience the same health problems as tobacco smokers, such as bronchitis, emphysema, bronchial asthma and throat and lung cancer; tend to have more chest colds than non-users; and are at greater risk of getting lung infections like pneumonia. Studies show that someone who smokes five joints per day may be taking in as many cancer-causing chemicals as someone who smokes a full pack of cigarettes every day. Other effects include increased heart rate, dryness of the mouth, reddening of the eyes and impaired motor skills. Long term use is associated with depression, anxiety and loss of motivation.

Anabolic steroids: Steroids (<https://nida.nih.gov/research-topics/steroids-anabolic>) have side effects ranging from insomnia to death. Using them increases the risk of cancer and cardiovascular, kidney and liver disease. Users may exhibit mood swings that include aggressive, combative behavior and use may cause impotence, sterility, or fetal damage.

Amphetamines: These drugs (<https://nida.nih.gov/publications/drugfacts/prescription-stimulants>) can cause acute psychoses and malnutrition. They also can make a user nervous, hyperactive and sleepless and can elevate pulse rate and blood pressure as well as exacerbate symptoms of anxiety.

Methamphetamines: Meth (<https://nida.nih.gov/research-topics/methamphetamine>) is a highly addictive drug that targets the functioning of the central nervous system. Short term effects include increased wakefulness, increased physical activity, decreased appetite, increased respiration, rapid heartbeat, irregular heartbeat, increased blood pressure, hypothermia, irritability, paranoia, insomnia, confusion, tremors and aggressiveness. Long-term health effects include irreversible damage to blood vessels in the brain, stroke, severe reduction in motor skills with symptoms similar to those of Parkinson's disease, impaired verbal learning, memory impairment and decreased ability to regulate emotions. Many of the long-term effects persist after use of the drug is discontinued.

Cocaine: Anyone who uses cocaine (<https://nida.nih.gov/research-topics/cocaine>) – even a first-time user – may have seizures, heart fibrillation and strokes that can result in death. Habitual users experience irritability, paranoia and hallucinations. Use causes tumors, chronic fatigue, dangerous weight loss, sexual impotence and insomnia and affects respiration, blood pressure and blood sugar levels.

Heroin and Opium: An overdose of these psychologically and physiologically addictive drugs (<https://nida.nih.gov/research-topics/heroin>) can cause death through suppression of central nervous systems including breathing. Users feel sluggish and fall asleep at inappropriate and dangerous times. Intravenous users risk contracting Hepatitis, HIV/AIDS and other infections.

LSD: LSD (<https://nida.nih.gov/research-topics/commonly-used-drugs-charts>) causes hallucinations, perception distortions and anxiety. Users cannot function normally and are accident-prone. LSD also can cause elevated body temperature and respiration and a rapid heartbeat.

MDMA (Ecstasy/Molly): This drug (<https://nida.nih.gov/research-topics/mdma-ecstasy-molly>) produces both stimulant and psychedelic effects including increased heart rate, elevated blood pressure, nervousness and hyperactivity. Because users may experience feelings of increased confidence, sensitivity, arousal and confusion, use of Ecstasy makes them more vulnerable to crime, especially robbery, sexual assault and other unwanted sexual encounters.

Oxycodone and Other Narcotics: These drugs (<https://nida.nih.gov/research-topics/commonly-used-drugs-charts>) are chemically similar to heroin and opium. Although they can be safe and effective treatments for pain when prescribed by a doctor and used as directed, they are psychologically and physiologically addictive and overdose and death through misuse is possible. Because of their medical uses, these drugs are frequently manufactured in a time-release (sustained-release, long-acting, extended-release) form. If users circumvent the time-release formulation, they may take a larger dose than intended, overdose and suffer serious complications or death. Combining opioids with alcohol or other drugs significantly increases the risk to life and well-being.

Ritalin (methylphenidate), Concerta, and Adderall: These drugs (<https://nida.nih.gov/publications/drugfacts/prescription-stimulants>) are chemically similar to amphetamines. Although they are safe and effective treatments for attention deficit hyperactivity disorder when prescribed by a doctor and used as directed, they are powerful stimulants and can be addictive. Because of their medical uses, these drugs are frequently manufactured in a time-release (sustained-release, long-acting, extended-release) form. If users circumvent the time-release formulation, they may take a larger dose than intended, overdose and suffer complications or death.

Fire Safety Report

Department of Environment, Health and Safety
The University of North Carolina at Chapel Hill

07/27/2023

To Our Campus Community:

The University of North Carolina at Chapel Hill Environment, Health and Safety (EHS) department is committed to supporting a safe and healthful environment for the University community. Fire safety is a critical component of campus safety, and campus fire prevention and emergency response are a 24/7 operation.

Fire safety requires comprehensive and systematic planning that includes inspections, engineering, response, fire incident investigation and enforcement of building and fire codes. EHS Fire Safety staff work daily to assess fire safety risks, inspect fire-related equipment and to test alarms and detection systems across a campus that includes more than 9,100 student residence hall and apartment beds, 400 buildings, 170 sprinklered buildings, 7,000 fire extinguishers, 275 fire alarm systems, seven dining facilities and 44 standalone cooking hood extinguisher systems. The Fire Safety team also monitors and provides on-site support for campus programs and activities, including athletic events, commencement exercises and other events.

The University has adopted and developed numerous fire safety policies and guidelines to help promote a safe environment for students, employees and campus visitors. These policies and guidelines and other fire safety information can be accessed on the Environment, Health and Safety website.

University fire safety policies and programs are enhanced through education and training initiatives to help develop a culture of fire safety awareness for the campus community. Online and instructor-led trainings, safety fairs and fire drills are held throughout the year to educate students and employees on the proper use of fire extinguishers, emergency coordinator responsibilities, general emergency response and evacuation procedures, and administrative emergency response procedures.

In the past three years (2020 to 2022), there have been twelve fires reported in our student housing facilities. None of these fires resulted in a death or injury requiring medical treatment. During this period, 92% of fire incidents were associated with cooking or food preparation. Other than cooking, one fire was associated to an electrical cord that arched.

This annual Fire Safety Report is a requirement of the Higher Education Opportunity Act (PL 110-315) requiring all United States academic institutions to provide information regarding fire safety practices and standards as well as statistics regarding fires in campus housing facilities.

Our purpose is to support the University's core mission of teaching, research and service by providing comprehensive environmental, health and safety services to the University community. That effort is always improved when our campus members take an active role in contributing to safety initiatives. In that spirit, we invite your comments and suggestions about how we can continue to make UNC-Chapel Hill a safe place for all.

Sincerely yours,

Catherine Brennan
Executive Director
Environment, Health and Safety/Risk Management

Higher Education Opportunity Act - Part II

Department of Education

34 CFR Parts 600, 668, 675, et al.

General and Non-Loan Programmatic Issues; Proposed Rule

668.49 Institutional fire safety policies and fire statistics. (74 FR 42441)

Annual Fire Safety Report required by the Higher Education Opportunity Act - Part II

Beginning by October 1, 2010, an institution that maintains any on campus student housing facility must prepare an annual fire safety report that contains, at a minimum, the following information:

1. The fire statistics described in paragraph (c) of this section.
2. A description of each on-campus student housing facility fire safety system.
3. The number of fire drills held during the previous calendar year.
4. The institution's policies or rules on portable electrical appliances, smoking, and open flames in a student housing facility.
5. The institution's procedures for student housing evacuation in the case of a fire.
6. The policies regarding fire safety education and training programs provided to the students, faculty, and staff. In these policies, the institution must describe the procedures that students and employees should follow in the case of a fire.
7. For purposes of including a fire in the statistics in the annual fire safety report, a list of the titles of each person or organization to which students and employees should report that a fire occurred.
8. Plans for future improvements in fire safety, if determined necessary by the institution.

Fire statistics:

1. An institution must report statistics for each on campus student housing facility, for the three most recent calendar years for which data are available, concerning:
 - The number of fires and the cause of each fire;
 - The number of injuries related to a fire that resulted in treatment at a medical facility, including at an on-campus health center;
 - The number of deaths related to a fire; and
 - The value of property damage caused by a fire.
2. An institution is required to submit a copy of the fire statistics in paragraph (c)(1) of this section to the Secretary on an annual basis.

d) Fire log:

1. An institution that maintains on-campus student housing facilities must maintain a written, easily understood fire log that records, by the date that the fire was reported, any fire that occurred in an on-campus student housing facility. This log must include the nature, date, time and general location of each fire.

Fire Safety Report: This Report can be found as part of the Safety and Security report required by the Higher Education Opportunity Act on the Department of Public Safety website at <https://police.unc.edu/clery/>.

Fire Log: A copy of the University's Fire Log for the past 60-day period is available in printed form during normal business hours at the Department of Environment, Health and Safety office at 1120 Estes Drive, Chapel Hill, NC 27599. Any portion of the Fire Log older than 60 days is available within two business days of a request for public inspection, during normal business hours.

Fire Safety Responsibility

Environment, Health and Safety (EHS) is responsible for fire safety and emergency response on campus and works in conjunction with the Chapel Hill Fire Department. The Fire Safety and Emergency Response department of EHS is responsible for enforcing the North Carolina Building and Fire Codes, investigating fire incidents, developing evacuation procedures, fire safety public education and maintaining fire alarm and extinguishing systems.

Fire Safety Staff

The Fire Safety section is staffed by four full-time employees. Information about the positions and their expertise and background is provided below.

University Fire Marshal, Fire Safety and Emergency Response Manager:

- Thirteen years' experience in fire safety.
- Bachelor's degree in Fire Safety Engineering Technology.
- Hazardous Materials Operations.
- Emergency Responder.
- Incident Command System (ICS) trainings: 100, 200, 300, 400.
- American Red Cross CPR and First Aid Instructor.
- Fire and Life Safety Educator, Level II.
- Technical Rescuer Confined Space.

Fire Safety Professional:

- Nineteen years' experience in fire safety.
- Firefighter Level I/II.
- Rapid Intervention Team.
- Driver/Operator Pumps/Aerials.
- Hazmat Operations Level I.
- Rescue Technician VMR.
- Technical Rescuer Confined Space & Water Rescue.
- North Carolina Advanced Emergency Medical Technician.
- American Red Cross CPR & First Aid Instructor.
- Fire & Life Safety Educator I.
- National Incident Management System trainings: 100, 200, 300, 363, 400, 700, & 800.
- National Fire Academy Leadership I, II & III.
- National Fire Academy Incident Safety Officer.
- Community Preparedness, Disaster Management Certificate.

Fire Safety Professional:

- Four years' experience in fire safety.
- Bachelor's degree in Fire and Safety Engineering Technology.
- National Incident management System trainings: 100, 200, 363, 700, 703, 800.
- Hazardous Materials Operations.

Fire Safety Professional:

- Twenty-six years' experience in fire safety.
- HazMat Technician.
- WMD RAD/NUC technician.
- IMS 100, 200, 300, 700, 800.
- Hazardous Devices Technician.
- Arson Investigator.
- Post-Blast Investigator.
- ATF certified Homemade explosives expert.
- Incident Safety Officer.

Life Safety Technicians

Life safety technicians are necessary to test and maintain fire safety systems. They oversee the operability of active fire safety systems, such as sprinklers, and smoke and heat detectors and alarms, as well as operability and integrity of passive building fire safety systems, such as fire barriers, fire doors, fire dampers and the design and operability of the site water distribution system.

UNC-Chapel Hill employs a staff of 16 life safety technicians dedicated to maintaining the fire alarm and fire protection systems on campus. They are on call 24/7 to respond to any concern about fire protection devices. All life safety technicians are appropriately certified by the National Institute for Certification in Engineering Technologies for fire alarm systems and sprinkler systems and licensed by the State of North Carolina for inspection and maintenance of water-based fire suppression systems.

Chapel Hill Fire Department

The Chapel Hill Fire Department (CHFD) provides fire protection, some technical rescue, and provides care at the

Emergency Medical Technician level for medical services to the Town of Chapel Hill and to UNC-Chapel Hill 24 hours a day, 365 days a year. The CHFD operates from five fire stations located strategically across the community and is staffed by around 100 employees.

All Chapel Hill firefighters and fire officers are certified to at least North Carolina Level II Firefighters. All Chapel Hill Fire Department personnel are certified for the roles they hold in the organization through training developed and supported by the NC Office of State Fire Marshal. The department is also a partner in the Triangle Region 8 Urban Search and Rescue Team with fire departments from Durham and Raleigh. These heavy rescue-type teams are specially trained and equipped for response to major disasters. The CHFD also operates a fire training center adjacent to Fire Station #4 (101 Weaver Dairy Rd. Ext.).

Fire Safety Policies and Procedures

Fire Response Procedures

If you discover a fire:

- Pull the nearest fire alarm box (pull station).
- Leave the building via the nearest exit. Call 911 to report the fire once safely outside.
- Check doors for heat before opening them – do not open doors if hot to the touch.
- Do not use elevators to exit the building.
- Gather outside the building at the location identified by your resident advisor.
- Remain outside the building until an emergency response official gives permission to re-enter.

In the event of a fire alarm:

- Evacuate the building immediately. Failure to leave the building during a fire alarm may result in referral to Housing authorities for a conduct violation.
- Leave the building via the nearest exit.
- Check doors for heat before opening them – do not open doors if hot to the touch.
- Do not use elevators to exit the building.
- Gather outside the building at the location identified by your resident advisor.
- Remain outside the building until an emergency response official gives permission to re-enter.

Reporting Fires on Campus

Environment, Health and Safety is the responsible University authority for fire safety reporting. All fires that occur on University property must be reported to the University Fire Marshal as soon as possible. Any response to campus by the Chapel Hill Fire Department is automatically reported to the University Fire Marshal. To report a fire that has been safely extinguished and not previously reported to fire safety officials, contact University Fire Marshal Adam Swift at 919-962-0360 or alswift@ehs.unc.edu.

Fire Prevention/Community Living Standards

The University and Carolina Housing have enacted a variety of policies and procedures relating to the prevention of fire within residence halls. The list below is a summary – housing residents should refer to the *Community Living Standards* (<https://housing.unc.edu/important-information/housing-contract/>) for more information.

Tampering with Fire Protection Systems

Damaging, tampering with or impairing the function of any fire protection system at the University of North Carolina at Chapel Hill is prohibited by University policy and is a crime in North Carolina (NC General Statutes, §14-286). The University will pursue cancellation of the housing contract for any tampering or impairment violation.

Open Flame

The use of open flame is permitted at any University-owned grill located at student housing facilities. Any other use of open flame, whether indoor or outdoor, is prohibited at the University of North Carolina at Chapel Hill without a permit from the University Fire Marshal. This includes, but is not limited to, the use of a private grill on University property or the use of candles within buildings. For more information see the Exterior Open Flame Policy (<https://policies.unc.edu/TDClient/2833/Portal/KB/ArticleDet?ID=131950>)

Smoking/Vaping

Smoking is prohibited in residence halls or within 100 feet of a University building. This includes the use of electronic cigarettes or vaping devices per University policy. For more information see the No Smoking Policy (<https://>

Decorations and Storage

Decorations that may obstruct traffic or present a fire hazard (e.g. live Christmas trees) are not permitted in rooms, hallways, or suite corridors. Decorations may not be placed within two feet of a fire protection system component (e.g., manual pull station, smoke detector, bell/horn/strobe, sprinkler, fire extinguisher, exit sign, emergency lighting or egress doorway).

It is prohibited to store any item that may pose a fire hazard in a residence hall room. These items include, but are not limited to: incense, hookah pipes, candles, live cut trees (e.g. Christmas trees) or any flammable or combustible liquid. Storage within residence hall rooms must be kept orderly. At least 18 inches of vertical clearance must be maintained between occupant storage and any fire sprinkler head.

Weapons/Explosives

Possessing or carrying, openly or concealed, any gun, rifle, pistol or other firearm of any kind, or any dynamite cartridge, bomb, grenade, mine or powerful explosive. Possessing or carrying any BB gun, stun gun, air rifle, air pistol, bowie knife, dirk, dagger, slingshot, leaded cane, switchblade knife, blackjack, metallic knuckles, razors and razor blades (except for personal shaving), fireworks, or any sharp-pointed or edged instrument (except instructional supplies, unaltered nail files, and clips and tools (unless used solely for preparation of food, instruction, and maintenance) upon any University campus or in any University-owned or operated facility. Possessing or carrying, openly or concealed, any item resembling an actual weapon or prohibited item.

Electrical Appliance Requirements

Residence halls must comply with University policy, which restricts each individual residence hall room to 1800 watts usage at any time.

- No single appliance can exceed 1000 watts of usage or have an exposed heating element.
- Two-prong extension cords, plug adapters, and halogen lamps and bulbs are also prohibited. Residents using extension cords must use grounded three-wire extension cords and/or surge protectors.
- Power strips can be damaged by overloading, overheating or by being pinched/crimped by furniture and doors. While the damage can be internal and not visible to the eye, it can potentially lead to dangerous cord fires. In addition to surge protection, some power strips have a built-in sensor and electronics to detect damage and prevent a cord fire from occurring by automatically disconnecting the power supply before a problem can occur. It is highly recommended that students purchase power strips that have both surge protection and cord fire protection in order to ensure maximum safety. This style of power strip can be purchased at UNC Student Stores.
- Power strips must be directly connected to wall outlets. Power strips may not be connected to other power strips or to extension cords.
- Space heaters are prohibited for use in residence hall rooms.
- Only University-owned air conditioning units may be used in residence halls. Personal air conditioning units are prohibited due to electrical circuit limitations and safety concerns.
- Halogen lamps and multibulb fixtures (i.e., “octopus” or “spider” lamps) are expressly forbidden in the residence halls.
- Frayed wiring is a significant fire hazard; all appliances must have intact factory wiring.

Approved items (residence halls):

- Blender
- Can opener
- Coffee maker
- Desk lamp
- Electric mixer
- Floor lamp (non-halogen, single bulb)
- Fans – floor or window type
- Flat iron
- Food processor
- Hair dryer
- Iron
- Low heat warming tray (200F)
- Microwave oven (must be plugged into wall receptacle)
- Toaster (community kitchen use only)
- Electric grill (community kitchen use only)
- Power outlet strip with surge protection
- Small refrigerator: 4.5 cubic feet manufacturer measurements

- - Microfridges offered through RHA's Approved Vendors (<https://rha.unc.edu/rr/rhaspreferredvendors/>) are approved (must be plugged directly into wall receptacle)
- Three prong extension cords

Because the apartments on campus (Ram Village and Baity Hill) have kitchens with stoves, ovens and countertop space, the following items are approved for use in these facilities in addition to the list above:

- Crock pot/Instant Pot
- Rice cooker
- Toaster oven

Not approved items (residence halls):

- Air conditioner (personal)
- Candles and other item(s) that may pose a fire hazard in a residence hall (see the [Community Living Standards](#) for additional information).
- Ceiling fan
- Deep fat fryer
- Electric fry pan
- Electric griddle
- Electric scooters or electric bicycles
- Crock pot/Instant Pots
- Electric wok
- Fog and smoke machine
- Flexible LED strip light
- Halogen bulbs and lamps
- Hot oil popcorn popper
- Hot plate
- Multiple bulb light fixture ("octopus" or "spider" lamps)
- Rice cooker
- Self-balancing scooters (also known as "hover boards")
- Slow cooker/grill convertible
- String Lights (including Christmas lights or fairy lights)
- Toaster oven
- Two-prong household extension cords
- Washing machine/dryer (except in Baity Hill/Mason Farm)
- Wi-Fi router (personal)

If you have questions about a specific appliance, please contact your community director or email at housing@unc.edu with your question.

Fire Protection Features

Fire Alarm Systems

All residence halls are equipped with an automatic fire alarm system. These systems continuously monitor all building smoke detectors and heat detectors for hazardous conditions. Campus fire alarm systems immediately notify UNC Police in the event of an emergency. UNC Police, in turn, request a fire department dispatch. Each time a fire alarm is activated, all residents are required to evacuate. For students with a physical disability, please visit the Carolina Housing Fire Safety and Protocol webpage at <https://housing.unc.edu/important-information/fire-safety-protocol> for more information on evacuations. Post-evacuation, a resident advisor or community director fills out a report and sends it to the Housing office for recordkeeping. Students are also able to activate manual pull stations in case of emergency. Pull station activations will trigger the fire alarms in the building and will also automatically contact 911.

Fire Sprinkler Systems

All residence halls are protected by automatic fire sprinkler systems. These systems automatically release water to suppress fires when fire sprinkler heads detect temperatures above a threshold. Once activated, the fire sprinkler system also activates the building fire alarm system and requests a response from the fire department.

Range Hood Fire Protection Systems

All range hoods (“stove hoods”) located in communal kitchens are protected by a chemical fire protection system that is designed to extinguish grease and other cooking fires. Once activated, the range hood fire protection system also activates the building fire alarm system and requests a response from the fire department.

Plans for future improvements in fire safety

The University assesses fire safety equipment on an ongoing basis to determine if any improvements are necessary. Currently, the institution does have improvements scheduled for fire safety. Barring any unforeseen circumstances updates will include:

- The University has begun installation for the new Campus Central Alarm Network Replacement and will begin testing.
- Four University residence halls received fire alarm system upgrades in the summer of 2023. These include Manly, Mangum, Thomas Ruffin Jr. and Grimes.
- Alderman, Kenan, McIver and Spencer residence halls will receive sprinkler head replacements summer of 2023.
- Housing and Life Safety technicians are evaluating all buildings containing the upcoming obsolete EST3 fire alarm panel and will develop a plan for upgrades.

Fire Safety Education

Resident Advisor Safety Training

All resident advisors attend required fire safety training in August before students move into residence halls. The training is provided by the University Fire Marshal and Fire Safety staff and includes a classroom portion with a presentation, introduction to University fire safety policies and an evacuation video. The second portion of the class is a hands-on fire extinguisher training in which each resident advisor is required to use a fire extinguisher to put out a controlled training fire. The classes provide resident advisors with specific instructions on fire prevention and evacuation and reporting procedures. Housing also provides separate training during the same week, which includes a review of all residence hall policies and procedures regarding fire safety.

Student Fire Safety Training

The development of a culture of fire safety at UNC-Chapel Hill is critical to a safe environment. Education is one of the most important aspects of developing that culture, and extensive training and education is an annual part of our fire safety program. The following is a partial list of the Fire Safety department education and training efforts over the past three calendar years:

- Participated in the annual FallFest celebration – helping to provide a safe environment, answering fire safety questions, and ensuring compliance with the North Carolina State Fire Code (2021, 2022).
- Facilitated quarterly training sessions for the EHS Emergency Response Team, providing the opportunity for sharing knowledge and reviewing incidents to improve effectiveness of hazardous materials incident response.
- Trained students, faculty and staff in fire extinguisher use, with live fire, presentations and student developed videos.
- Trained 300 resident advisors yearly for Carolina Housing.
- Partnered with Town of Chapel Hill and community partners and the Office of Fraternity and Sorority Life to ensure town and student success through knowledge of available programs.
- Partnered with the Chapel Hill Fire Department to provide yearly training opportunities in University housing facilities.
- Continued our building and fire safety inspection procedure that will ensure annual inspections of all student housing annually.
- In 2020, all resident advisors were trained virtually due to the coronavirus pandemic.
- In 2022, partnered with Emergency Management and Planning for the Emergency Preparedness Festival. Demonstrated a sprinkler versus non-sprinkler burn trailer (courtesy of the North Carolina Office of the State Fire Marshal).

Table A. Student Housing Fire Safety Systems (Part I)

Note 1: CO Detection is only provided in residence halls with gas dryers or gas hot water heaters. Buildings that do not have gas dryers or hot water heaters are listed as "N/A" under the CO Detection column.

Note 2: Evacuation drills for Granville Towers are conducted by the management company, not the University.

Note 3: Due to Covid-19 Pandemic and resident halls being closed in March 2020, reopened and then closed again in August 2020, not all four required fire drills were conducted.

Note 4: Not all resident halls were occupied in 2021 due to Covid-19 pandemic. Only occupied resident halls had fire drills conducted.

Table C. Student Housing Fire Statistics 2020 - 2022

Note 1: Definitions for terms used in this table:

Fire-related injury:

Any instance in which a person is injured as a result of a fire, including an injury sustained from a natural or accidental cause, while involved in fire control, attempting rescue, or escaping from the dangers of the fire. The term “person” may include students, faculty, staff, visitors, firefighters, or any other individuals.

Fire-related death:

Any instance in which a person—

1. Is killed as a result of a fire, including death resulting from a natural or accidental cause while involved in fire control, attempting rescue, or escaping from the dangers of a fire; or
2. Dies within one year of injuries sustained as a result of the fire.

Table E. Student Housing Fire Loss Statistics 2020 - 2022

| Residence Halls | Value of property damage caused by fire * <i>Note 1</i> | | | Cause of Fire | | |
|--------------------------------------|---|--------|-----------|-------------------------------|------------------------|---|
| | 2020 | 2021 | 2022 | 2020 | 2021 | 2022 |
| Baity Hill 17000 Baity Hill Dr. | \$0-99 | | | Small grease fire on stovetop | | |
| Carmichael | \$100-999 | | | Small fire on stovetop | | |
| Cobb 110 Country Club Rd. | | | \$0-99 | | | Small grease fire on stovetop |
| Craige 555 Paul Hardin Dr. | | | \$0-99 | | | Small electrical fire from shorted power cord |
| McIver 103 Raleigh St. | | | \$100-999 | | | Small fire on stovetop |
| Ram Village 520 Williamson Dr | \$0-99 | \$0-99 | \$0-99 | Small fire on stovetop | Small fire on stovetop | Small fire on stovetop |
| | | | \$0-99 | | | Small grease fire on stovetop |
| | | | \$0-99 | | | Small fire inside oven |
| Ram Village 540 Paul Hardin Drive | | | \$0-99 | | | Small grease fire on stovetop |
| Ram Village 550 Paul Hardin Drive | | \$0-99 | | | Small fire on stovetop | |

Note 1. Value ranges for estimated property damage/loss due to fire (including student property loss and University property loss:

| | | |
|---------------|-------------------|-------------------|
| \$0-99 | \$10,000-24,999 | \$250,000-499,999 |
| \$100-999 | \$50,000-99,999 | \$500,000-999,999 |
| \$1,000-9,999 | \$100,000-249,999 | >\$1,000,000 |

Definitions of terms used within this report

Cause of fire

The factor or factors that give rise to a fire. The causal factor may be, but is not limited to, the result of an intentional or unintentional action, mechanical failure, or act of nature.

Fire

Any instance of open flame or other burning in a place not intended to contain the burning or in an uncontrolled manner.

Fire drill

A supervised practice of a mandatory evacuation of a building for a fire.

Fire-related injury

Any instance in which a person is injured as a result of a fire, including an injury sustained from a natural or accidental cause, while involved in fire control, attempting rescue, or escaping from the dangers of the fire. The term “person” may include students, faculty, staff, visitors, firefighters, or any other individuals.

Fire-related death

Any instance in which a person—

1. Is killed as a result of a fire, including death resulting from a natural or accidental cause while involved in fire control, attempting rescue, or escaping from the dangers of a fire; or
2. Dies within one year of injuries sustained as a result of the fire.

Fire safety system

Any mechanism or system related to the detection of a fire, the warning resulting from a fire, or the control of a fire. This may include sprinkler systems or other fire extinguishing systems, fire detection devices, stand-alone smoke alarms, devices that alert one the presence of a fire, such as horns, bells, or strobe lights; smoke-control and reduction mechanisms; and fire doors and walls that reduce the spread of a fire.

Safe-T-element® Stovetop Protection

A product upgrade for electric coiled stovetops, engineered to help prevent cooking fires before they start while reducing the amount of electricity required to cook.

Value of property damage

The estimated value of the loss of the structure and contents, in terms of the cost of replacement in like kind and quantity. This estimate should include contents damaged by fire and related damages caused by smoke, water and overhaul; however, it does not include indirect loss, such as business interruption.

A photograph of a university campus. In the foreground, a large, light-colored concrete pillar is partially visible on the left. A brick-paved path leads from the bottom right towards the center. To the left of the path, there is a small, rounded green bush and a black lamppost. The path continues into a grassy area with more trees. In the background, a large, leafy tree stands prominently. Further back, a building with a dome and classical architectural features is visible under a clear sky.
